

ROOMS IN OUR HOUSE

There are many rooms in a house. Each room has its own use.

We cook food in the **kitchen**. We rest and sleep in the **bedroom**.

Kitchen

Bedroom

Bathroom

Dining room

Study room

We take a bath in the **bathroom**.

We use **dining room** for taking meals.

We study in the **study room**.

We all live in our houses with our family.
We should keep our house neat and tidy.
There should be proper light and ventilation in the house.

Ventilation in the house

OUR CLOTHES

We wear clothes to cover our body. They protect us from heat, cold and rain.

Clean clothes make us look smart.

We wear different kinds of clothes according to seasons and occasions.

Clothes According to Seasons

In summer season, we wear cotton clothes. They keep us cool and absorb the sweat.

Did You Know ?

Cotton is one of the key raw materials to make Khadi.

Sweating in sun

A girl in a frock

A boy in a short

Children going to school in rainy season

In rainy season, we wear a raincoat when it rains. It prevents us from getting wet. We also wear gumboots and use umbrellas.

In winter season, we wear woollen clothes like sweaters, gloves, coats, etc. They keep us warm.

Winter season

Sweaters

Socks

Coat

Caps

Gloves

Party dresses

Traditional dresses for festivals

We also wear our clothes according to the occasions :

Uniform

Children wear school uniform when they go to school.

We should always make sure that our clothes are clean and tidy. We should take good care of our clothes.
