

Domestic Animals

4

We keep some animals at our home and in farms. These animals are called **domestic animals**.

Buffaloes

Cows

Animals like buffaloes, cows, horses, hens, ducks, goats and sheep are kept at the farm.

Domestic animals are useful to us in many ways. Some domestic animals give us food, some give us fibres and some work for us.

SOME ANIMALS GIVE US FOOD

1. Milk : Some animals give us milk.

Cow

Buffalo

Goat

Test your Self

Wool

Woollen Clothes

Silk

We get fibre from silk cocoons made by silk-worms. Silk thread is used to make silk cloth.

Silkworm

Silk Clothes

Do You Know ?

The silkworm is not really a worm ! It is a baby silk moth. It is a caterpillar. As it grows. It makes a case around itself. This is the cocoon. The cocoon is made of silk thread which we use.

Honey

We get honey from beehives of the honey bees. Honey is a food. It is also a medicine.

Honey Bee

Beehive

Honey

Candle
