

I Wish I had ...

I wish I had a parrot,
 A parrot in a cage!
 A pretty green and yellow one,
 A talking, screeching, singing one
 A whistling in its cage!

I wish I had a monkey,
 A monkey in a cage!
 A brown, long-tailed, funny one,
 A clever, making-faces one,
 A leaping, swinging, climbing one
 A gibbering in its cage!

I wish I had a dragon,
 A dragon, lion and a pigeon,
 In a cage,
 To write about them,
 On my notebook page.
