PARAGRAPH WRITING

1. The Student Center

Eating in the Student Center is a pleasant

experience. First the food is excellent. It is

well prepared, it tastes delicious, and there

are many different kinds of food like burgers,

pizza, etc. Second, the environment in the

Center is positive. Many happy young people

Road safety

Everyday many people are involved in road accidents. Many more are injured. So it is important for us to learn to use the roads properly and safely. No one would like to be involved in an accident. As the roads are busy nowadays, we should be careful when crossing one. It is safer to use a pedestrian crossing or an overhead bridge whenever one is available. If there are no crossings, then we must look carefully right and left and cross only when it is safe to do so.

1. The Post Office

The post office is the place where we mail letters. There are several counters.

An assistant post master sits in a large room there. There is a mail room

also. The postman sorts letters there seated at long tables. Every morning

a red van comes to the post office

and deliver few large mail bags. In the evening few such bags are taken

away from it by the same van. In a busy post office, one will have to

wait in a queue to buy stamps. The postman will go out next riding

their bicycles, to deliver them.

2. The Street Beggars

The street beggars are very common in our towns and cities. They are always dressed in shabby rags. They go to people and humbly plead for money.

Some beggars get angry when they get a small coin. They mutter bad words and frown at you if you do not give them anything.

Sometimes they touch you, pull at your clothes, and go on asking for money. To some beggars who bank money and lend money on interest. Most of the beggars carry the collected money wherever they go.

Skateboarding tricks

In the spring of 1975, skateboarding took an evolutionary boost toward the sport that we see today. In Del Mar, California a slalom and freestyle contest was held as the Ocean Festival. That day, the Zephyr team showed the world what skateboarding could be. They rode their boards like no one had in the public eye, low and smooth, and skateboarding was taken from being a hobby to a serious, exciting sport.

3. Deserts

There are few areas on the earth where no rain falls for years. Such areas are dry, sandy and very hot. We call them deserts. The Sahara, The Arabian and The Libyan are famous deserts of the world. The sand there is so deep, the wheels of vehicles get sunk in it. The only way to travel in deserts is to ride a camel. Its flat feet do not get sunk and it can travel for days without water. There are water springs in few places. People grow date palms and fruits there. These places are called Oasis.
