DRAW AND COLOUR

Shapes

Carefully observe pictures and draw them in the space provided alongside.

Teacher's Remarks:

Material Required

✧ Pencil ✧ Eraser ✧ Sharpener

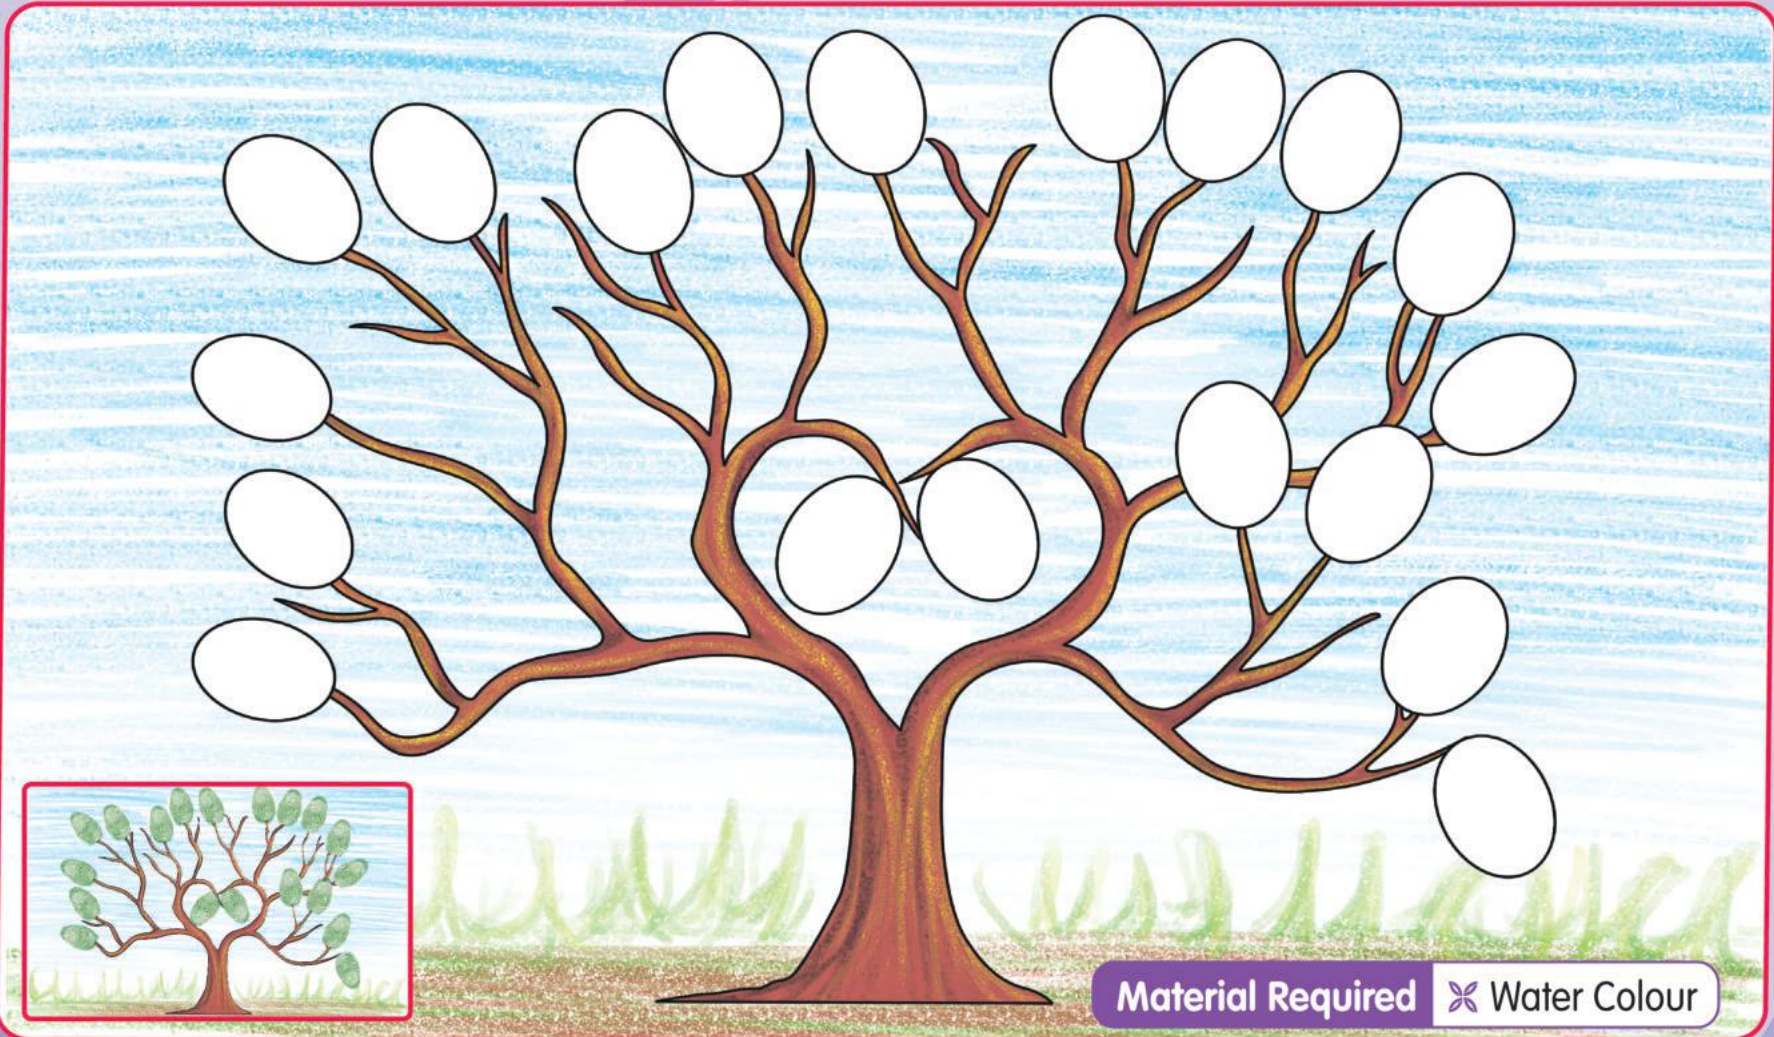

THUMB PAINTING

Add greenery in tree using thumb impression by dipping your fingers in different colours.

Fun-Fact

In olden days, the art of finger painting was popular in China, Europe and America.

Tree

Material Required ✨ Water Colour

Teacher's Remarks:

LEMON WEDGE

Flowers

1

2

3

4

5

6

Steps to follow:

1. Cut a lemon into two halves.
(Take help from elders)
2. Dip one half of the lemon into water colour.
3. Place the lemon on paper and make an impression.
4. Gently lift it and repeat for more flowers.
5. Make stems with brown colour.

Fun-Fact

Lemon trees produce fruit all year round.

Teacher's Remarks:

Material Required ✧ Colour ✧ Lemon ✧ Paper

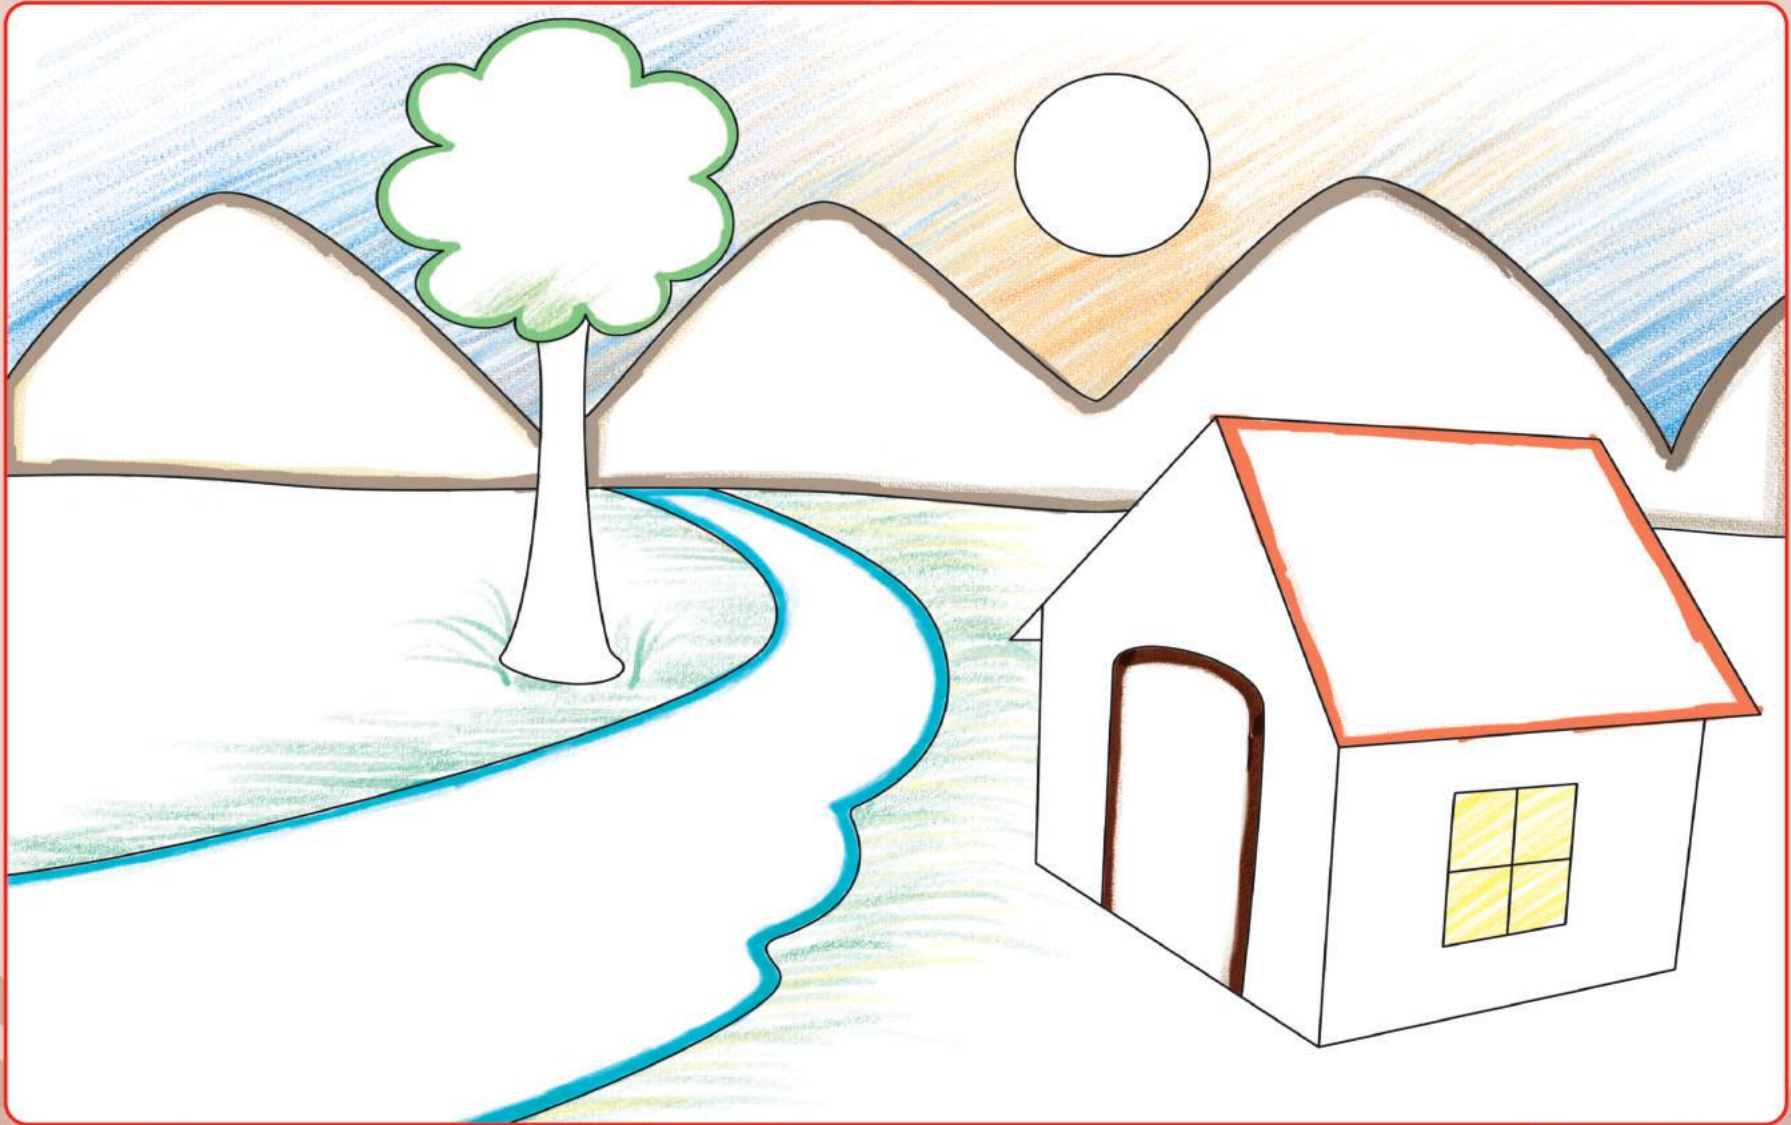

COLOURING

Colour the picture using sketch pens as indicated.

Material Required ✕ Sketch pens

Scene

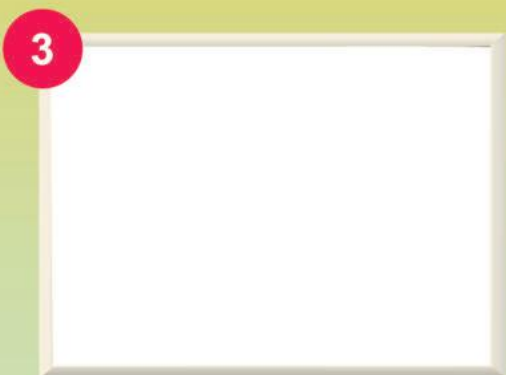

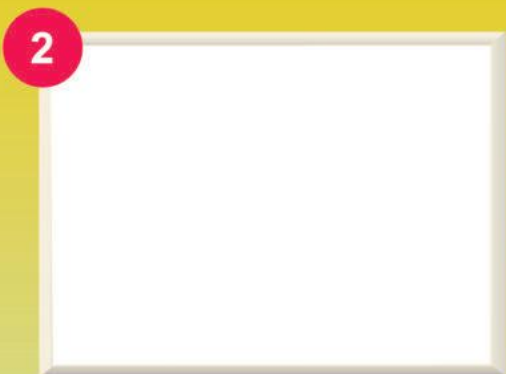

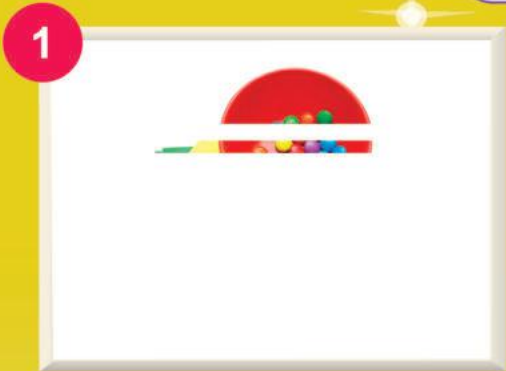

Teacher's Remarks:

CORN PLAY

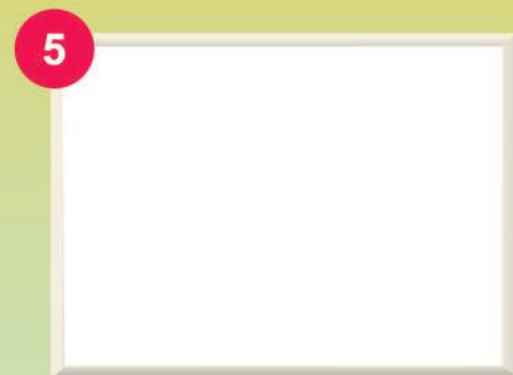

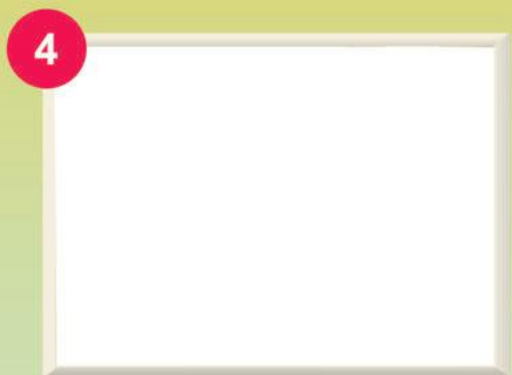

Material Required
✂ Coloured cardstock ✂ Scissor ✂ Candies

Steps to follow:

1. Take a yellow and a green chart paper, two dices, a pair of scissors and a bowl with some candies.
2. Draw a corn stalk and corn from the yellow and green chart papers.
3. Now, cutout the corn stalk and corn.
4. Paste the cutouts on a paper and start adding the correct number of candies onto the corn stalk.

Fun-Fact
Most corn is produced in the U.S.A.

CRAFT

Decorated Pencil

Have some fun with your pens and pencils with these fun pencil toppers.

1. Cut out two identical ovals from the foam or felt.
2. Make holes and spread glue around the edge of one of the shapes, leaving about 2 cm open where you will insert the pencil.
3. Press the two shapes together and give them several hours to dry.
4. Insert the pencil passing through the holes.
5. Decorate it by cutting out felt or foam for eyes, nose and mouth or use the mini pom-poms, glitter or whatever you like to give it character.

Material Required

- ✦ Craft foam sheets or felt
- ✦ White craft
- ✦ Glue
- ✦ Scissor
- ✦ Mini pom-poms
- ✦ Markers
- ✦ Googly eyes
- ✦ Glitter

Now, your decorated pencil is ready.

DRAW AND COLOUR

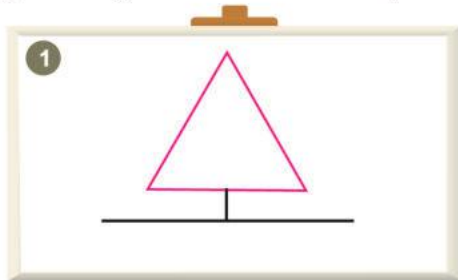

Drawing along the basic shapes.

Material
Required

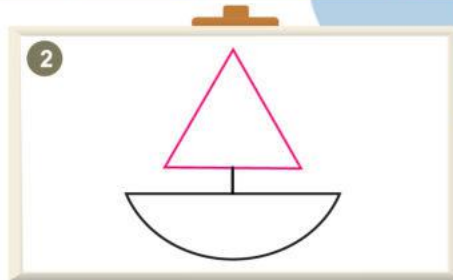

Pencil
Eraser

Scale
Sketch

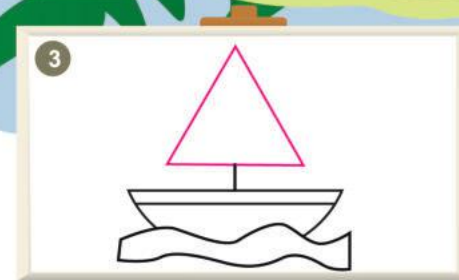

Boat

1 Draw a triangle. Draw a line parallel to triangle and connect it with a small line.

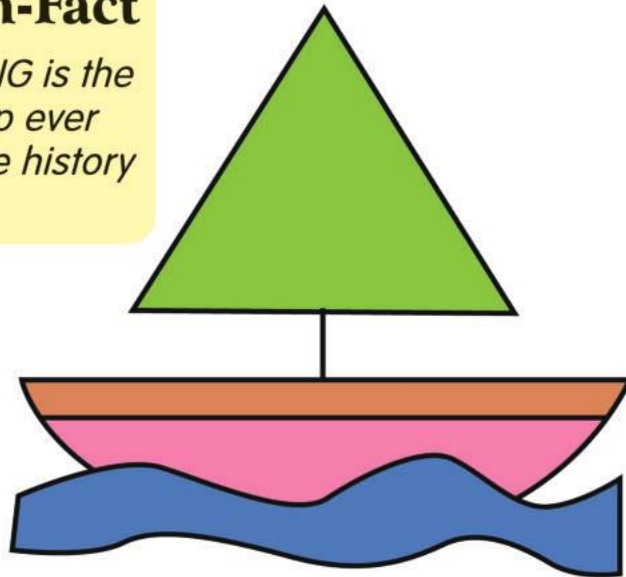

2 Make a semi-circle from the line drawn.

3 Complete the drawing by making wavy lines. Your boat is ready to sail.

Fun-Fact

Prelude FLNG is the biggest ship ever made in the history till present.

Teacher's Remarks:

CRAFT

Follow the steps given to make a mask for yourself.

Fun-Fact

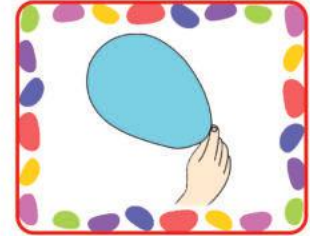

Mask festival is organised in Italy and France every year.

Mask

STEPS

1. Blow up the balloon.
2. Using fevicol, paste the newspaper strips on half the balloon.
3. Once the strips are completely dry, burst the balloon. You will get a mask as shown.
4. Paint it as shown and attach a nylon thread.

Your Mask is Ready !

Teacher's Remarks:

COLOURING

Material Required ✨ Pencil ✨ Sketch pens

Dress

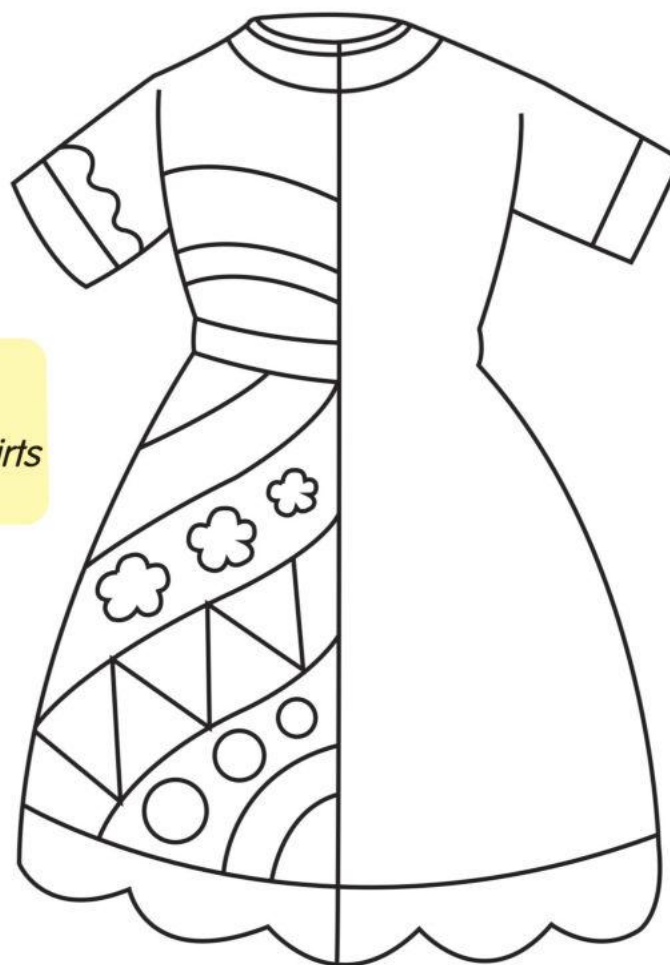

Look carefully at the half portion of the frock made for you. Sketch the other half of the artistic pattern and colour it radiantly. Do not use geometrical instruments to make these designs.

Fun-Fact

More than 2 billion t-shirts are sold each year.

Teacher's Remarks:

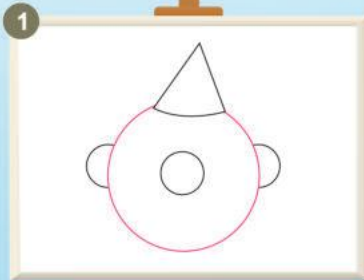

DRAW AND COLOUR

Drawing along the basic shapes.

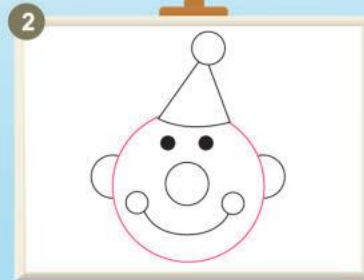

Fun-Fact

In German language the word clown means don't leave the kids alone.

Clown

1 Draw a big circle and a small circle inside it. Draw triangle on the top of big circle.

2 Make semi-circle on both the sides of circle.

3 Complete the drawing to get clown.

Material Required

-  Pencil
-  Sketch pens
-  Scale
-  Eraser

Teacher's Remarks:

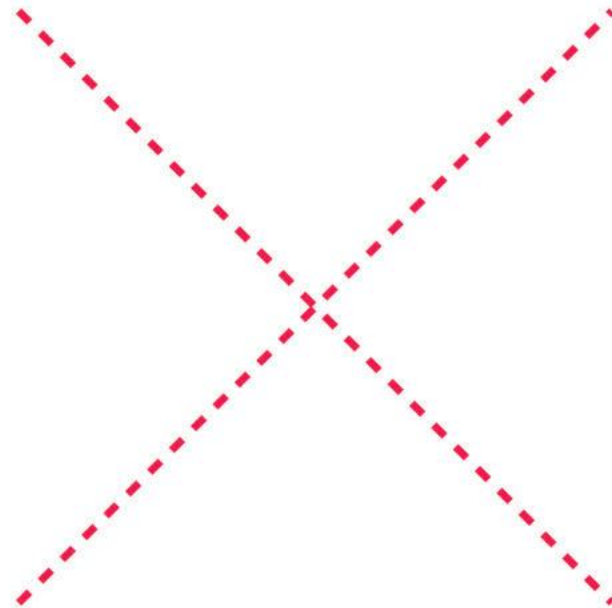

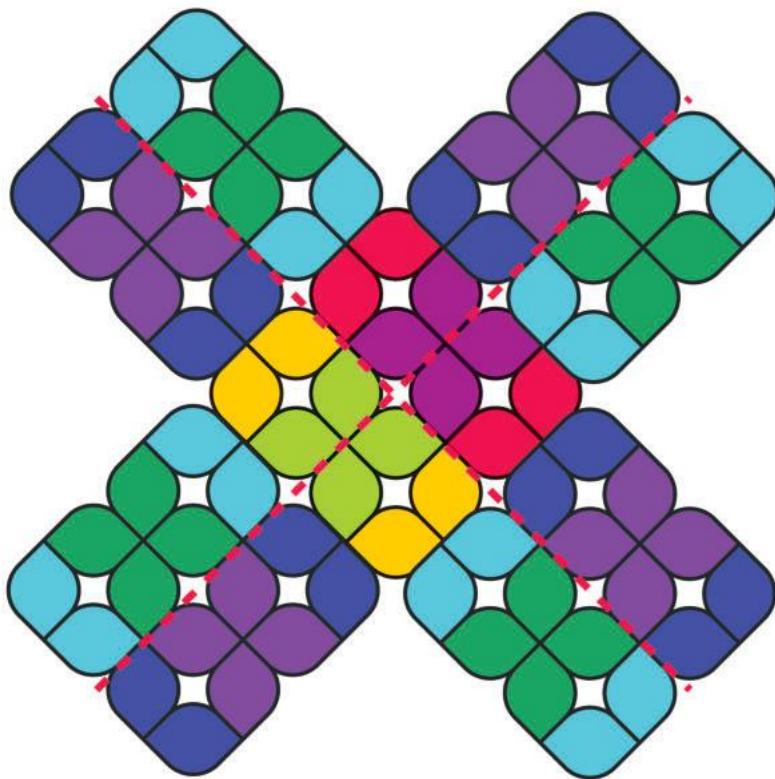

DRAWING

Draw the given pattern along the dotted lines keeping in mind the proportion of the drawing. What a fabulous rangoli pattern you have created !

Material Required

- ✦ Pencil
- ✦ Sketch pen

Pattern

Fun-Fact

Rangoli means a row of colours or layer of colours.

Teacher's Remarks:

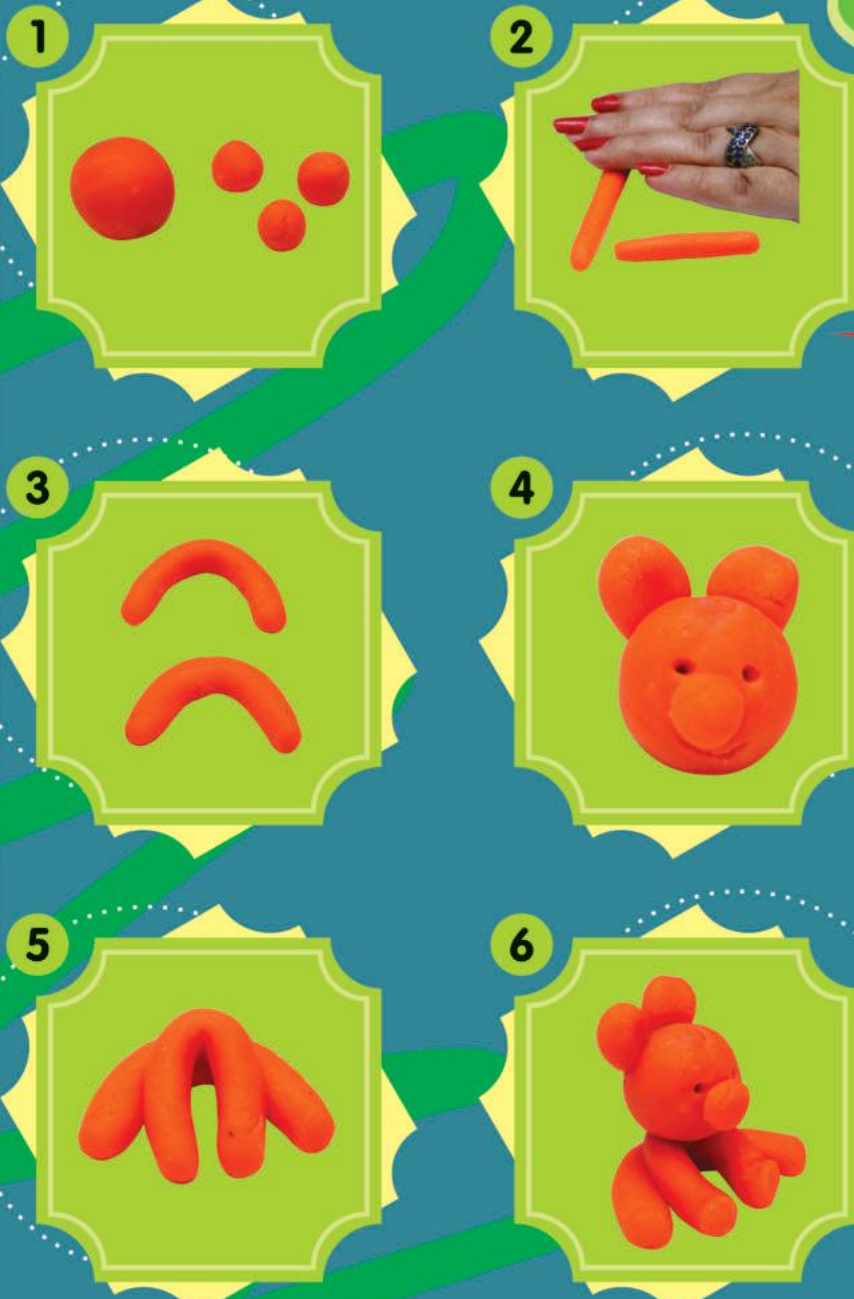

CLAY MODELLING

1. To make a teddy bear, take a piece of clay dough (any colour). Mould it into a big round shape. Make 3 more small round balls.
2. Now, take two more pieces of the clay and make 2 cylindrical shapes from them.
3. Bend both the cylinders in U-shape.
4. Now assemble the face of the teddy using the big round ball and 3 small balls as shown in the figure. Use a pencil to make holes for the eyes.
5. Join the two U-shaped pieces as shown.
6. Join the face to the U-shaped pieces as shown in the figure. **Your teddy bear is ready.**

Material Required

- ✦ Any coloured clay dough

Teddy Bear

Fun-Fact
The teddy bear is named after the odore (Teddy) Roosevelt- the 26th USA president.

Teacher's Remarks:
 ☆ ☆ ☆ ☆ ☆

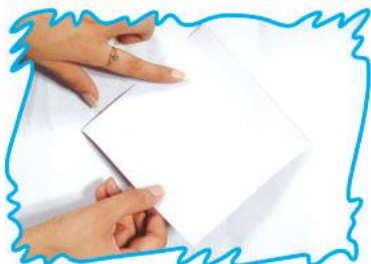

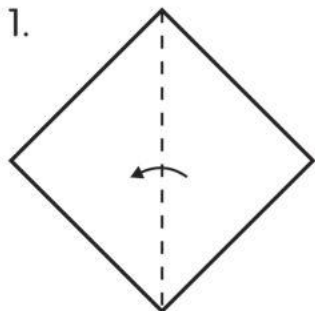

PAPER FOLDING

Material Required

✦ Coloured paper ✦ Scissor

1.

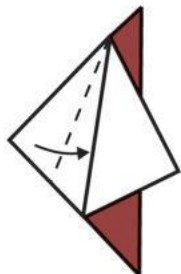

Fold from centre as shown.

2.

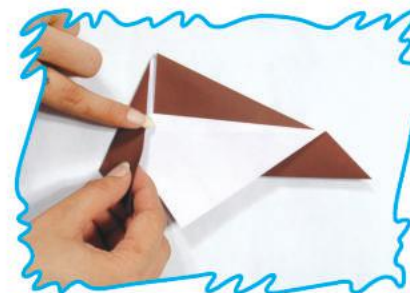

Fold along the dotted line.

3.

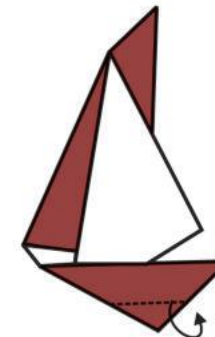

Fold both the left layers inwards one over the other as shown.

4.

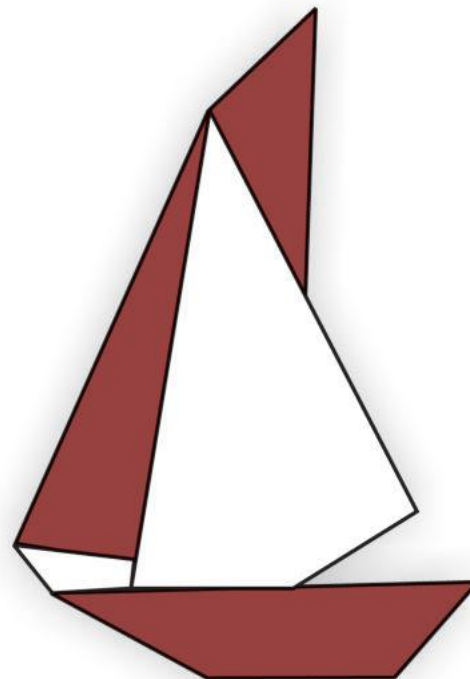

Fold the bottom corner as shown.

5.

Fold the bottom corner backwards.

Your's Yacht is ready to float.

Teacher's Remarks:

DRAW AND COLOUR

Drawing along the basic shapes.

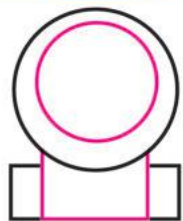

Fun-Fact

A lion's roar can be heard from as far as 5 mile away.

Lion

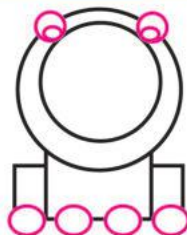

1

Draw two circles and two rectangles.

2

Enhance the picture by adding more shapes.

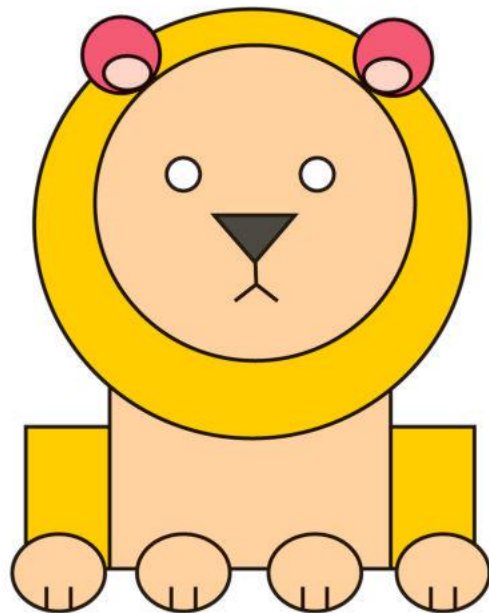

3

Complete the lion by making eyes, nose and mouth. Now your lion is ready.

Material Required

- ✦ Pencil
- ✦ Sketch pen
- ✦ Scale
- ✦ Erasers

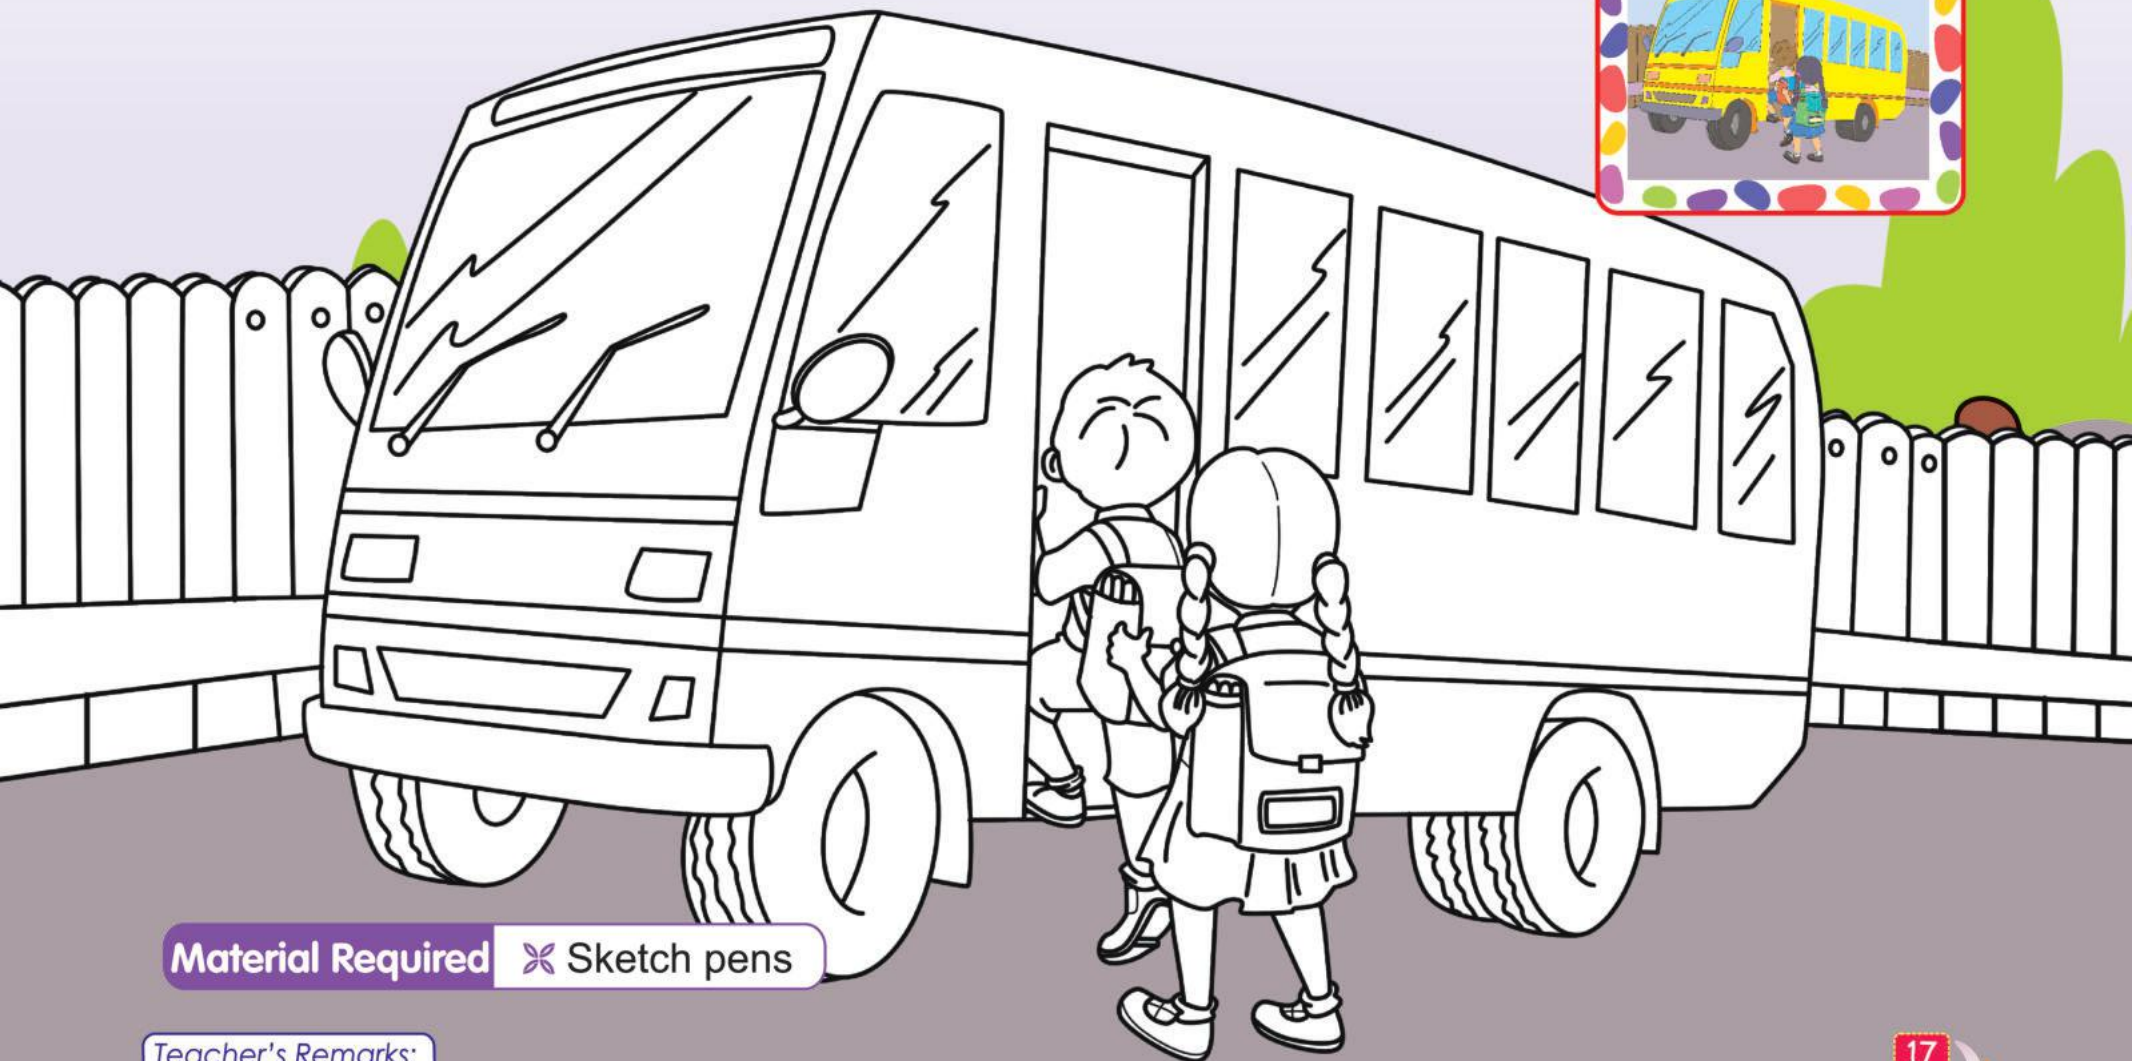

COLOURING

Rahul and Priya used school bus for going to school. Colour the picture as per the reference.

Fun-Fact

The largest bus in the world holds 300 passengers. It is in China and 24 meters long.

School Bus

Material Required ✦ Sketch pens

Teacher's Remarks:

PAPER CRAFT

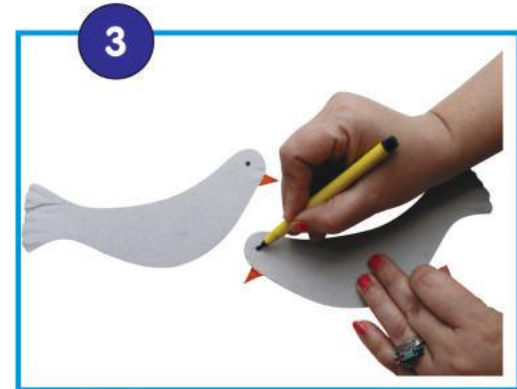

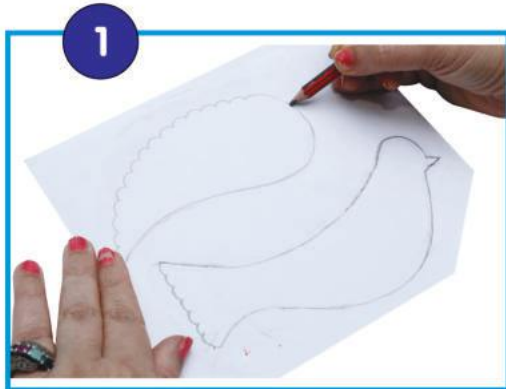

Dove

Follow the given steps to make a dove.

STEPS

1. First use a pencil to draw the shape of a dove's body on the paper plate.
2. Cut the shape cut out.
3. Use the rest of the paper plate to cut out a wings.
4. Now attach the wings to the back of the body.
5. Lastly, draw a beak and feet on your dove.

Material Required

- ✦ Paper plate
- ✦ Pencil
- ✦ Marker
- ✦ Scissor
- ✦ Glue

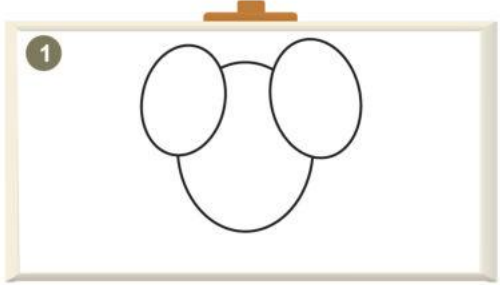

DRAW AND COLOUR

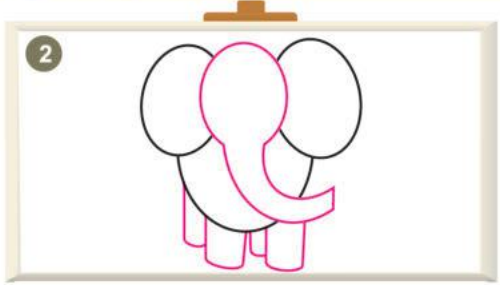

Drawing along the basic shapes.

Fun-Fact
Elephant is the only mammal which can't jump.

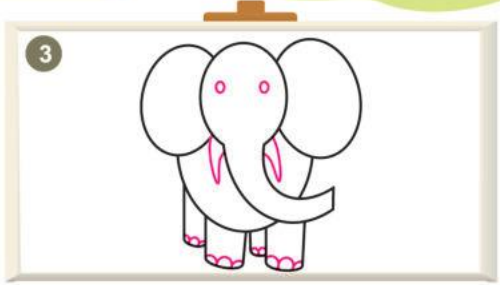

Elephant

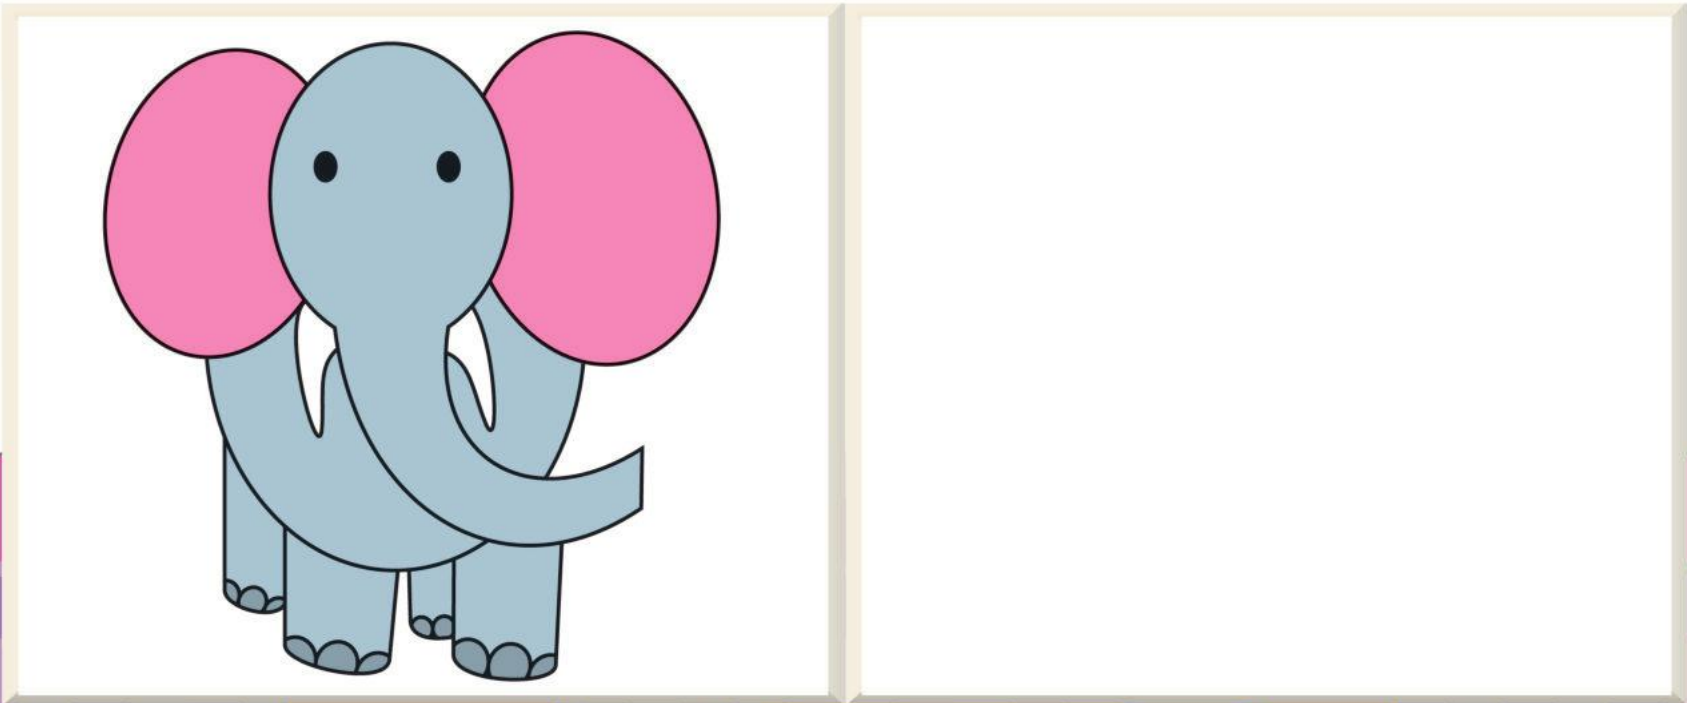

Draw three ovals.

Draw four curved rectangles and one semi circle for the trunk.

Complete the drawing by making eyes, teeth and nails.

Teacher's Remarks:
☆☆☆☆

Material Required

✕ Pencil
✕ Eraser

✕ Scale
✕ Sketch

DRAW AND COLOUR

Drawing along the basic shapes.

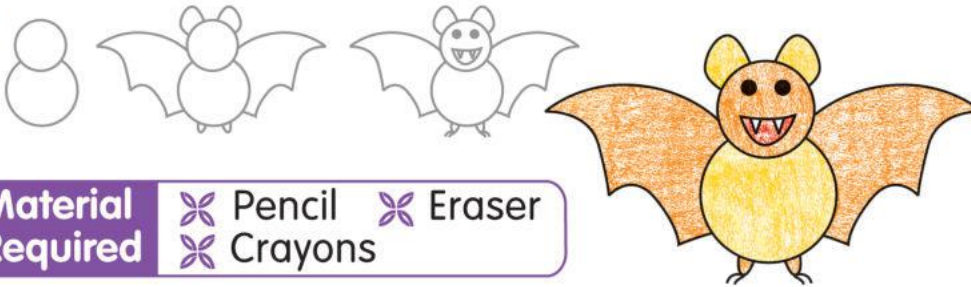

Fun-Fact

- There are over 1000 different bat species.
- Mushrooms are made up of 90% water.
- Giraffe is the tallest mammal in the world.

Shapes

1

Material Required

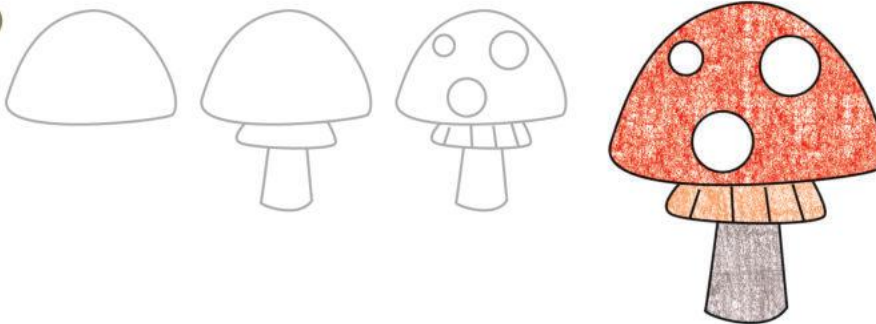

Pencil
Crayons

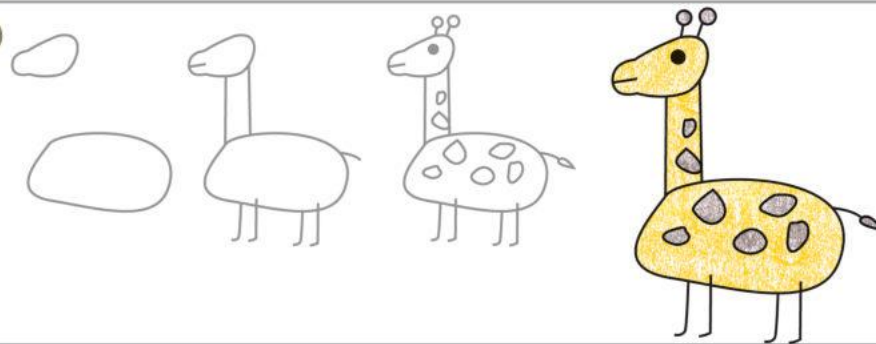

Eraser

2

Teacher's Remarks:

COLOURING

Holi

Complete the given Holi picture using colours of your choice.

Material Required ✨ crayons

Fun-Fact *Holi is one such festival, which is celebrated in all the states across the country.*

Teacher's Remarks:

COLOURING

Material Required

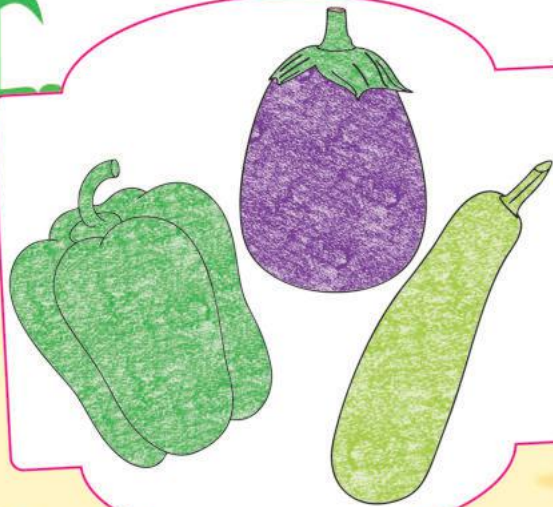

✕ Pencil

✕ Crayons

Vegetables

Draw the missing part and then trace the outline using black sketch pen. Closely observe the colour gradation and try to do the same.

Fun-Fact

In the United States, more tomatoes are consumed than any other single fruit or vegetable.

Teacher's Remarks:

COLOURING

Trees give us fresh air, shade and fruits. Colour the mango tree is to enjoy mango fruit or juice.

Tree

Material Required

✦ Crayons

Fun-Fact
Mangoes were first grown in India over 5,000 years ago.

Teacher's Remarks:
☆☆☆☆☆

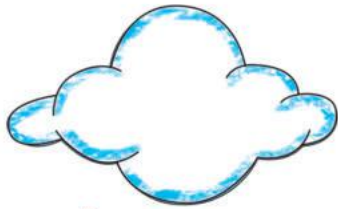

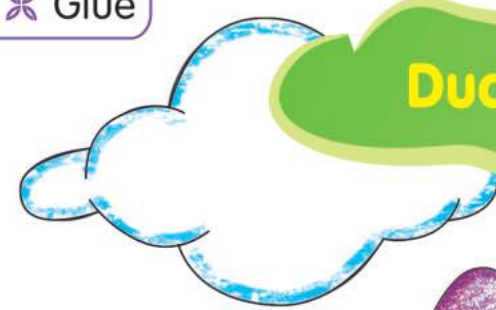

COLOURING

Colour the duck with crayons as indicated and paste small pieces of cotton on the clouds.

Material Required

✦ Crayons ✦ Cotton ✦ Glue

Duck

Fun-Fact

A baby duck is called duckling.

Teacher's Remarks:

TRACING AND COLOURING

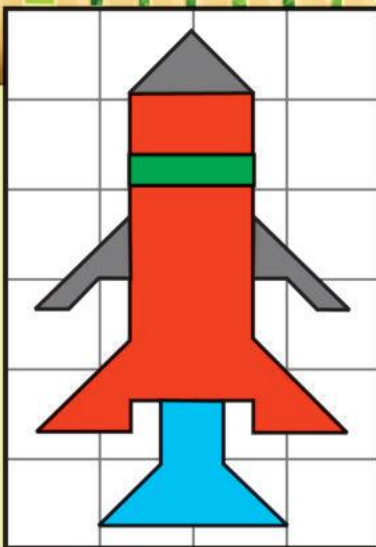

Observe the drawing of the rocket. Now redraw the same by joining dots.

Fun-Fact

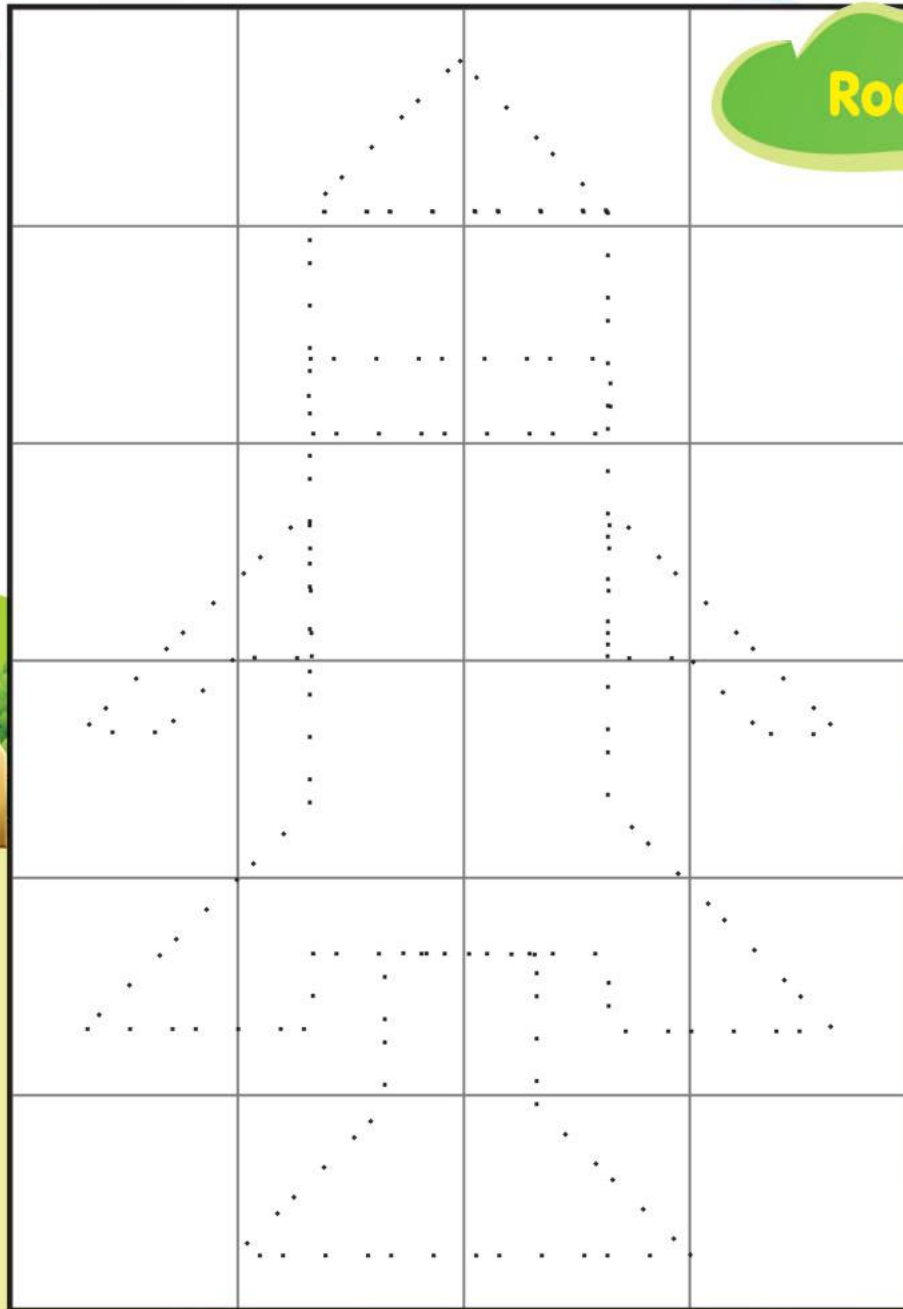

The first rocket, powered by gun powder was developed in China in the 13th century.

Material Required

✦ Pencil ✦ Sketch pens

Rocket

Teacher's Remarks:

TRACING AND COLOURING

Material Required ✕ Pencil ✕ Crayons

Cup and Saucer

Complete the picture by joining the number 1-70. Also colour the cup and saucer with attractive colours. Now you can hold your cup.

Fun-Fact

The most expensive cup and saucer set was sold for \$21 million.

PROJECT WORK

Jin And Chirag

Complete the picture by using sketch pen and glitters as per reference.

Material Required

✂ Sketch Pens ✂ Glitters

Fun-Fact

Genie is a spirit of Arabian folklore.

Teacher's Remarks:

COLOURING

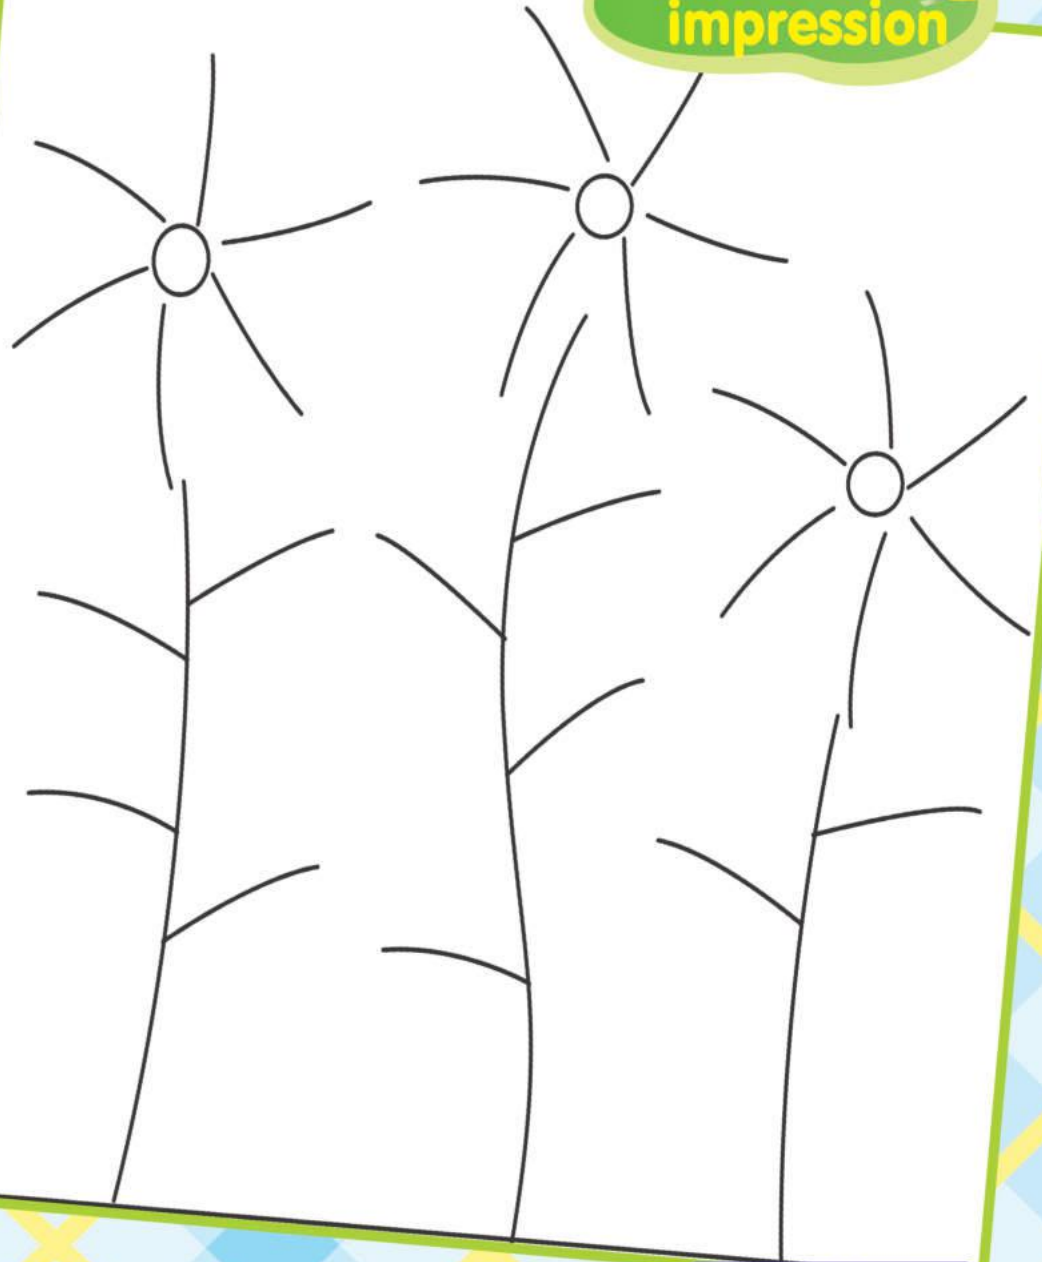

Complete the plants by leaf impression.

- 1 Lay a newspaper to protect your work surface.
- 2 Take the leaf and apply paint on it with the help of a paint brush.
- 3 Gently flip the leaf's paint side down on the paper.
- 4 Pul the leaf from the paper and you should have a printed image of your leaf.
- 5 Repeat the same leaf or different leaves.

Leaf Impression

Leaf impression

Teacher's Remarks:

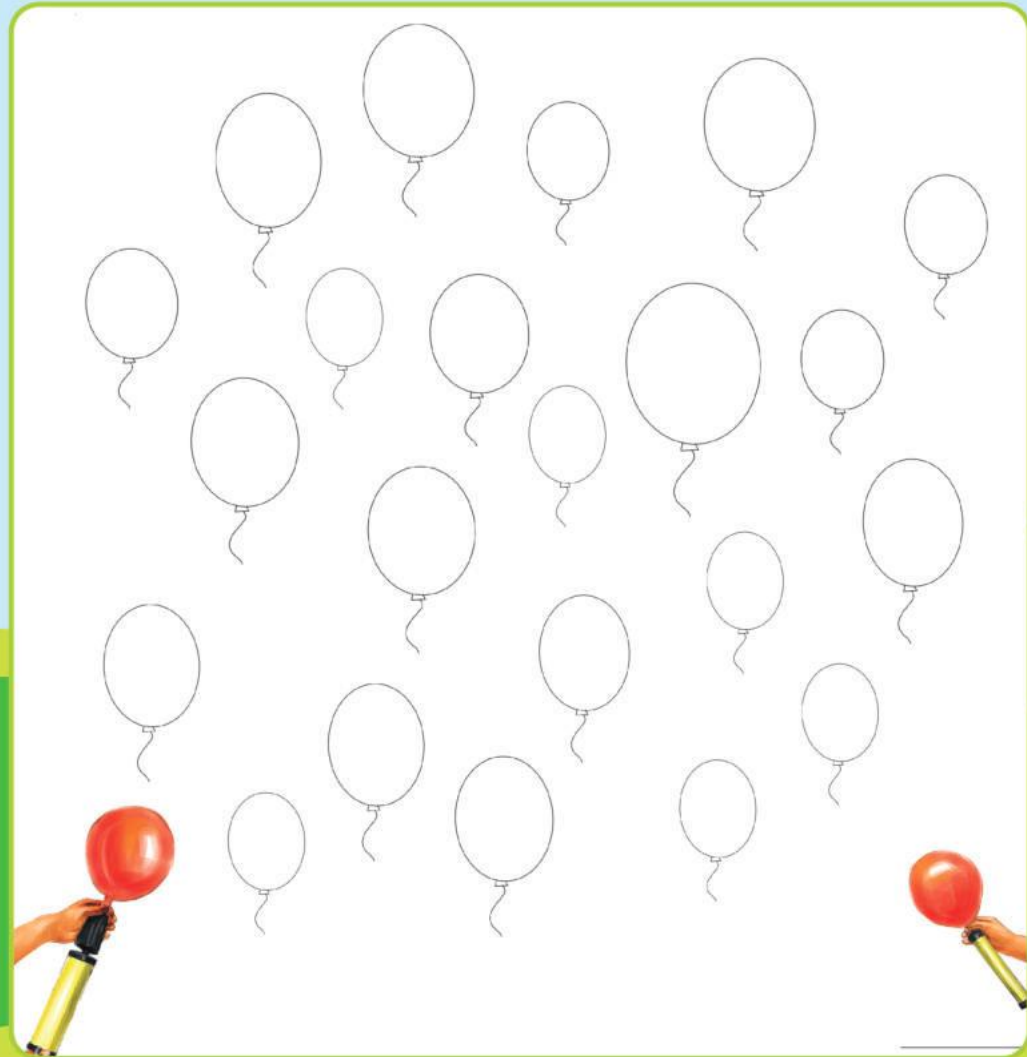

COLOURING

Let's learn how to paint the pictures with thumb impressions. Dip your thumb in various shades of colours and put the impression on the balloons. Look at flying balloons.

Balloons

1. Lay a newspaper to protect your work surface.
2. Prepare the water colour in the mixing plate by adding few drops of water.
3. Apply paint on your thumb by dipping or with a help of a paint brush.
4. Gently press down your thumb on the given balloons and release it.
5. Repeat the same with different colours.

Teacher's Remarks:

COLOURING

Carefully observe how the fruits have been coloured using tiny geometrical shapes, giving a mosaic look. Using same shapes, colour the fruits provided alongside.

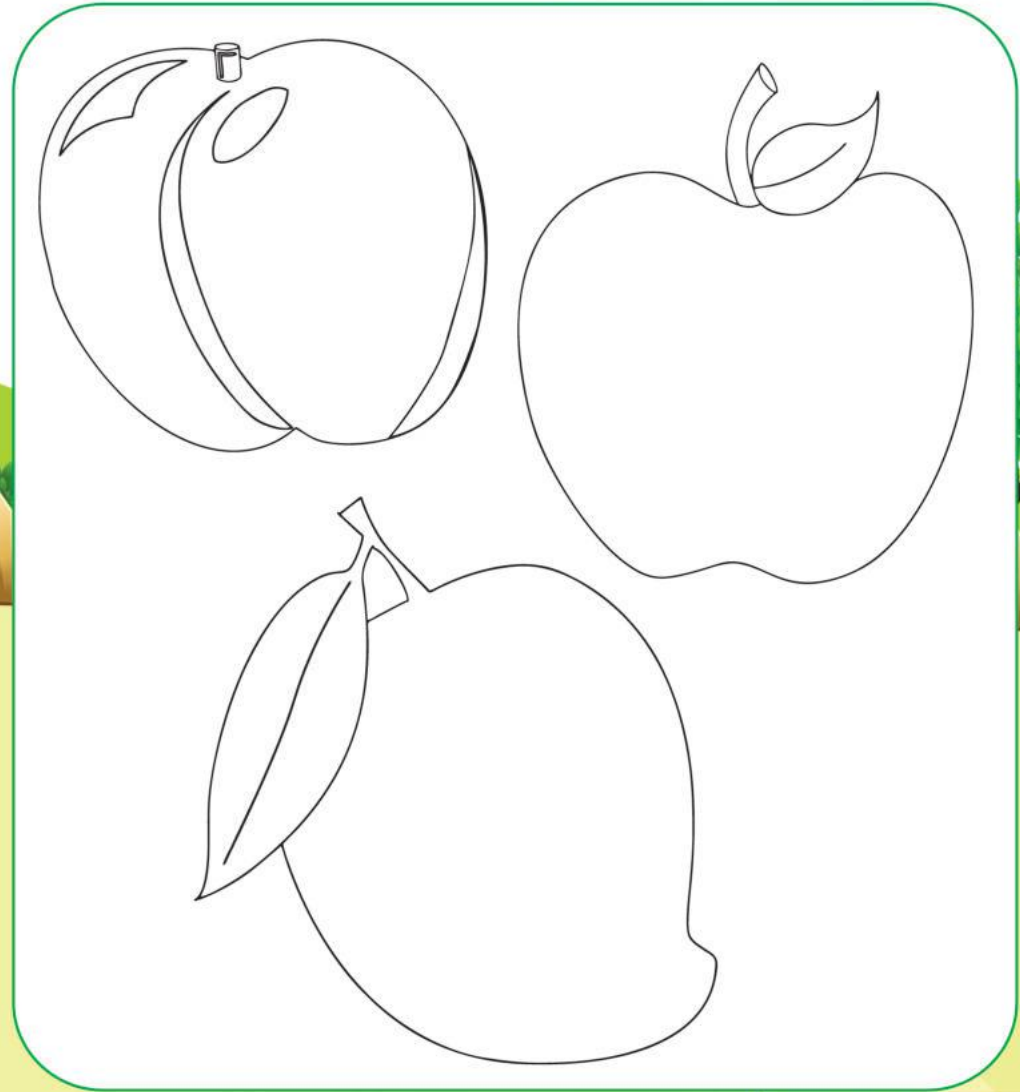

Material Required ✧ Pencil ✧ Crayons

Fun-Fact

The world's most popular fruit is the tomato.

Fruits

COLOURING

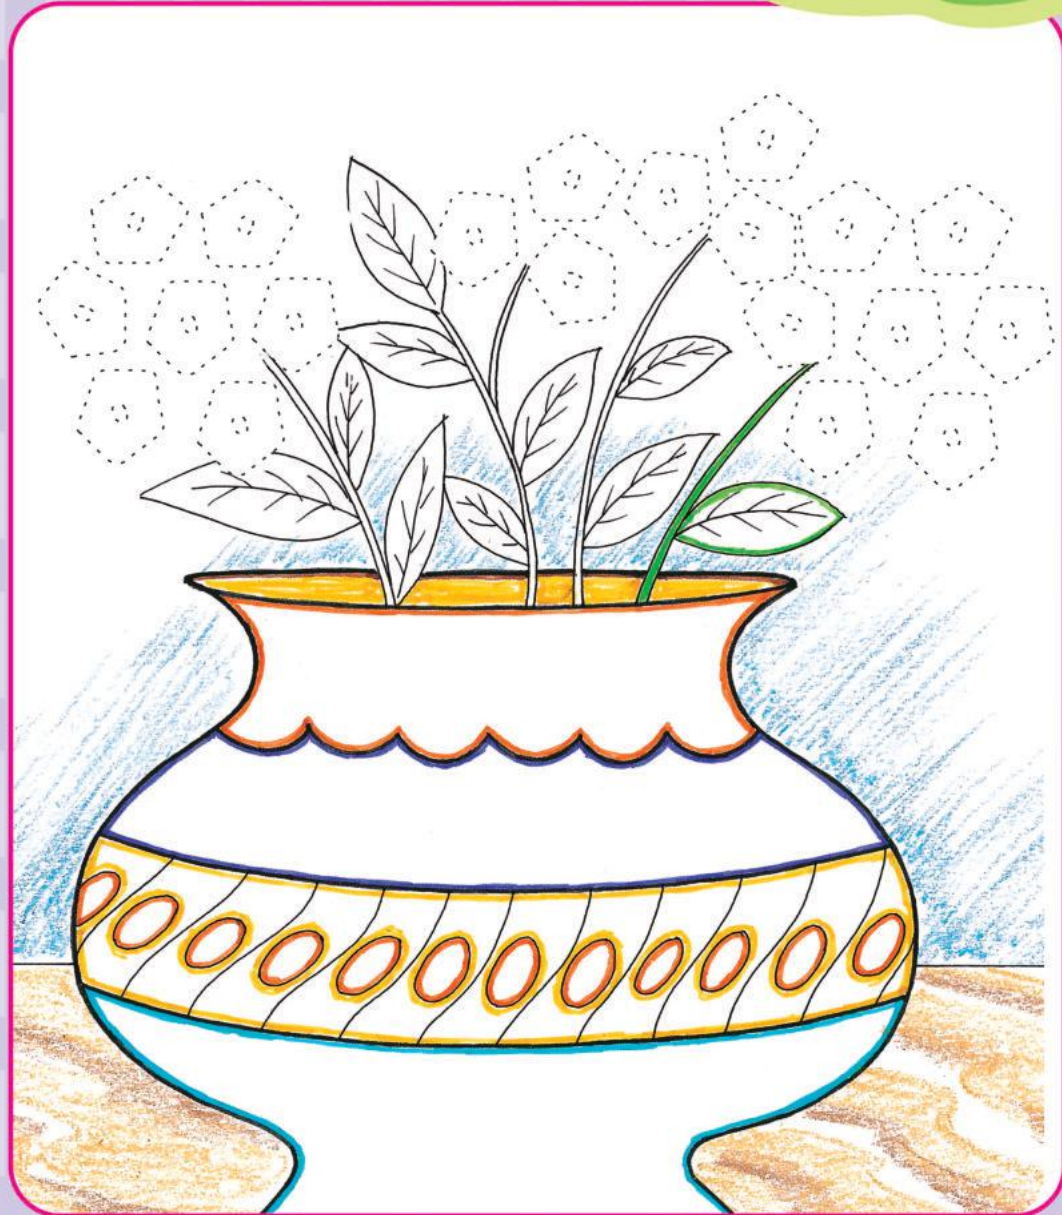

Material Required: ✧ Lady finger ✧ Poster colour

Pot

Cut a lady finger and dip it in poster colour. Make impression on the space provided to make flowers. Colour the leaves and pot.

Fun-Fact

Lady finger has a large number of nutritional as well as health benefits.

Teacher's Remarks:

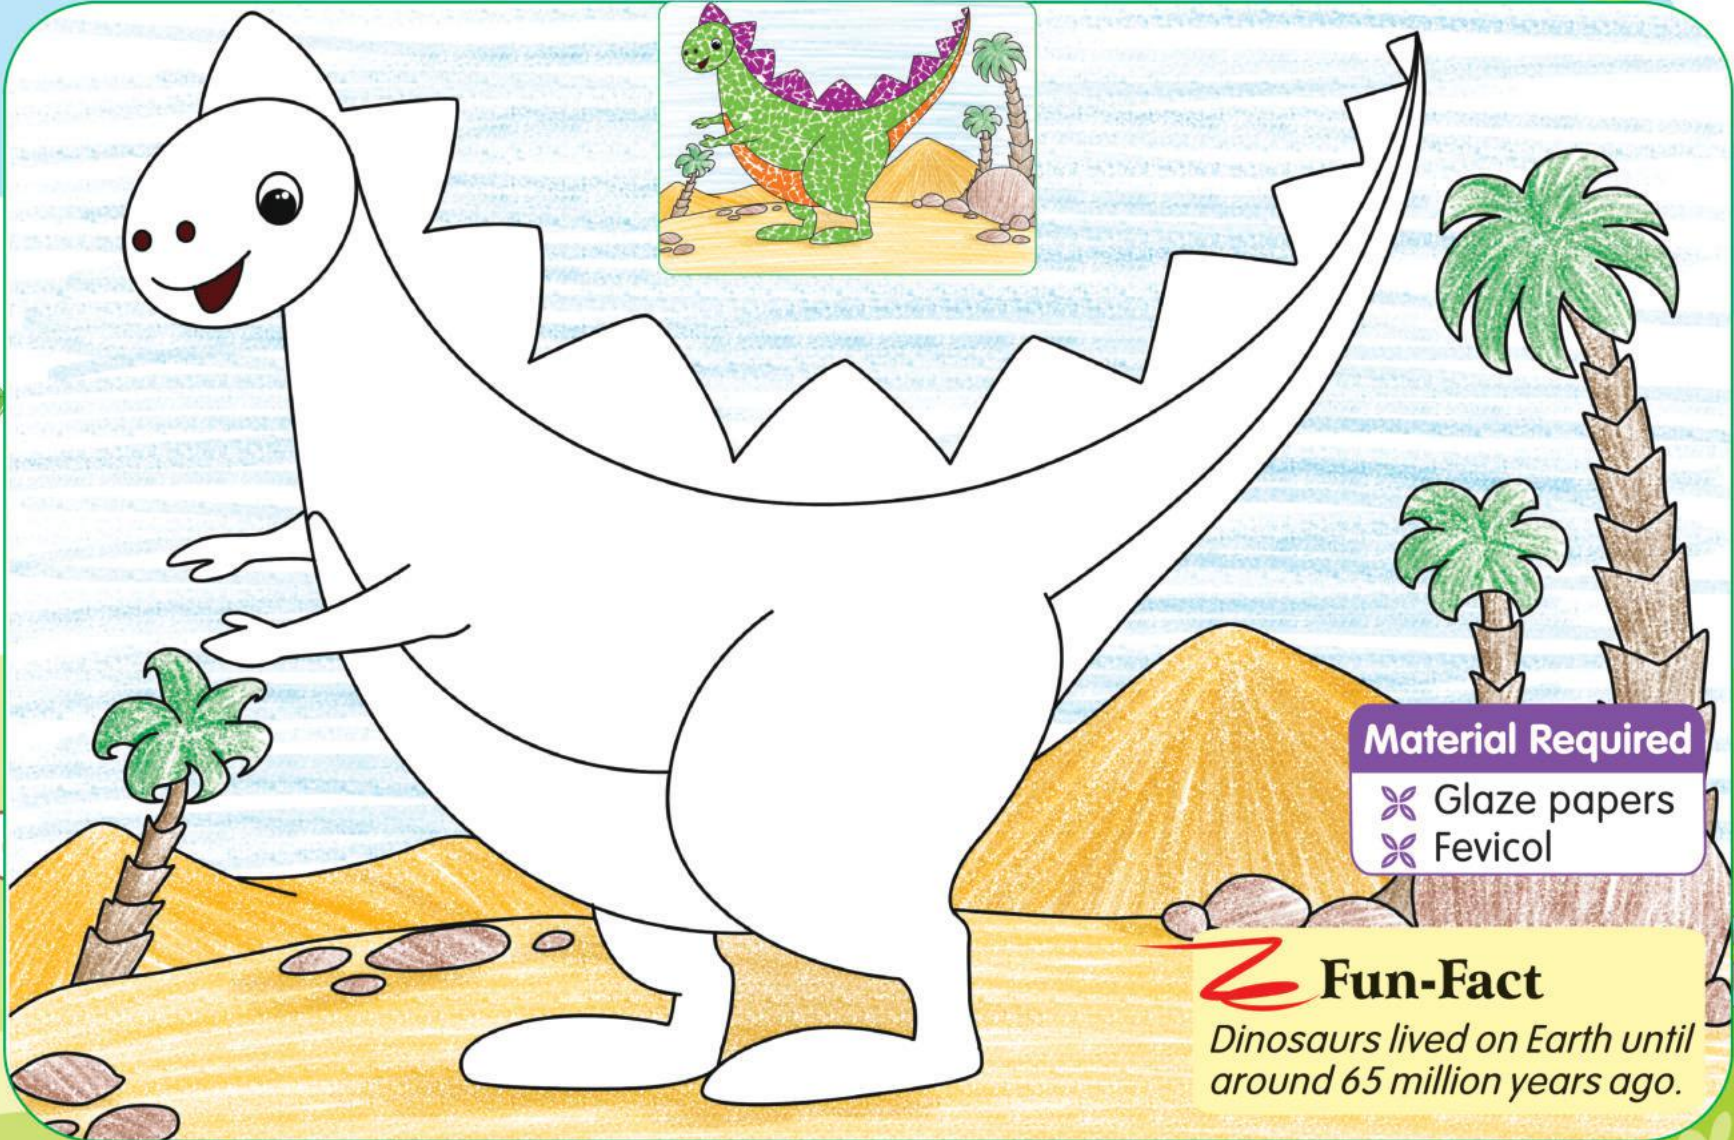

COLOURING

Dinosaur

Tear the different coloured glaze paper and paste them on the dinosaur.

Material Required

- ✦ Glaze papers
- ✦ Fevicol

Fun-Fact

Dinosaurs lived on Earth until around 65 million years ago.

Teacher's Remarks:

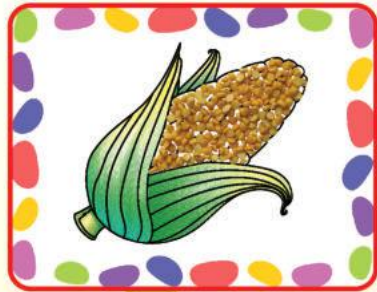

PASTING MOONG DAL

Paste dal with glue in the given space and complete the picture.

Fun-Fact

The only place in the world where corn is not grown is Antarctica.

Material Required

- ✦ Moong Dal
- ✦ Glue

Teacher's Remarks:
☆☆☆☆☆

PAINTING

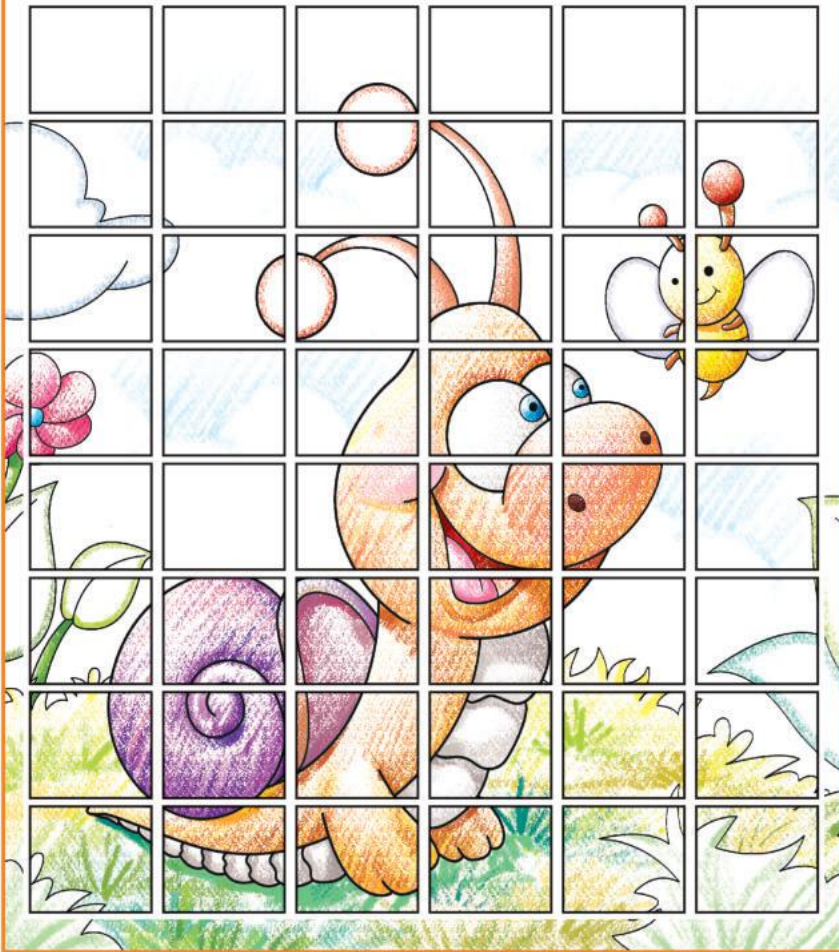

Draw another picture by using the same technique as shown on the left.

Fun-Fact
Snails cannot hear.

Snail

Material Required ✕ Pencil ✕ Crayons

COLOURING

Colour the picture so that children can get ready for the school.

Brushing Teeth

Fun-Fact

The most popular toothbrush colour is blue.

Material Required ✨ Sketch pens

Teacher's Remarks:
☆☆☆☆

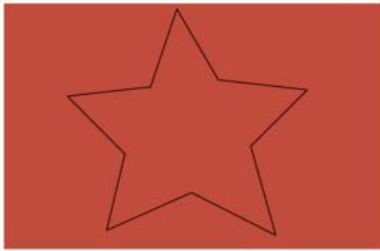

CRAFT

Star

Create a 3D standing Christmas star, you can hang it on your tree or place it on your table for all to admire !

1. Draw a star onto a regular piece of paper and cut out your paper star.
2. Trace around your template star with a pencil onto a piece of craft board to create two identical stars. Then cut out your stars.

3. Now use your paper star template again to create four more identical stars with some pretty wrapping paper. Glue your four wrapping papers star on to your two craft board stars. you need to cover both sides of each of your craft board stars.

4. Once the Glue dries, make a slit in each of your two covered craft board star. In one star the slit starts from an inner corner and goes to the center point to the star. In the other star, start your slit from an outer point and cut to the center point of the star.

5. Slip the two stars together through the slits you just cut. You may need to place some tape at the center for stability.

Stand your star on a table, or attach a string to use as pretty 3D tree ornament.

Material Required

✦ Plain paper ✦ Craft board ✦ Wrapping paper ✦ Scissor ✦ Craft knife ✦ Glue ✦ Pencil

Teacher's Remarks:

COLOURING

Adi is thinking how to get coconuts. Colour him fast then he'll jump and bounce to get them.

Squirrel

Material Required

✦ Sketch pens

Fun-Fact

Coconut is not a nut but belongs to the drupe family.

Teacher's Remarks:

COLOURING

Trace over the broken lines to make leaves. Now make the lifeless leaves natural by colouring them.

Material Required

- ✂ Pencil
- ✂ Sketch pens

Leaves

Fun-Fact

When season gets colder it becomes hard for leaves to make the food they need to stay green, so they use the food they stored and as a result they change colour.

THREADING CRAFT

Bead

Let's make a colourful rainbow bead threading

Steps:

1. Separate each colour of bead into its own container. Run through the name of each bead colour and match it to the colour of bead on the printable pattern sheet before you start.
2. Tie a bead to the end of the string before you begin threading to keep all the beads from falling off. Follow where to start at the left and how to work to the right following the pattern.
3. Run through the pattern once or repeat it several times until you have filled the entire string and have a lovely necklace or bracelet to wear!

Material Required

- ✦ Beads of seven different colours preferably in those of the rainbow: red, yellow, pink, green, purple, orange and blue.
- ✦ Stiff string or wool to thread.

Teacher's Remarks:

PUZZLE

Find the Way

Help the monkey in finding a path to reach the bananas. Also colour the path with any bright colour.

Material Required

✦ Pencil ✦ Crayons

Fun-Fact

The first jigsaw puzzles were made in 1760 by Berkshire map-maker John Spilsbury.

Wow ! Bananas.
I will definitely get them for my family.
