COLOURING

The baby fish has lost its colours. Colour it nicely so that its mummy can recognise it.

Materials Required

✦ Crayons

Fish

Fun-Fact

The oldest known age for a fish was of an Australian lungfish. It was still alive and well at 65 years old.

Teacher's Remarks:

COLOURING

Colour the picture of the well nicely using crayons.

Well

Materials Required

✦ Crayons

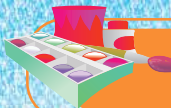

Fun-Fact

Britain's Woodingdean well, at a depth of 1285 feet, is the deepest hand-dug well in the world.

Teacher's Remarks:

COLOUR CODE COLOURING

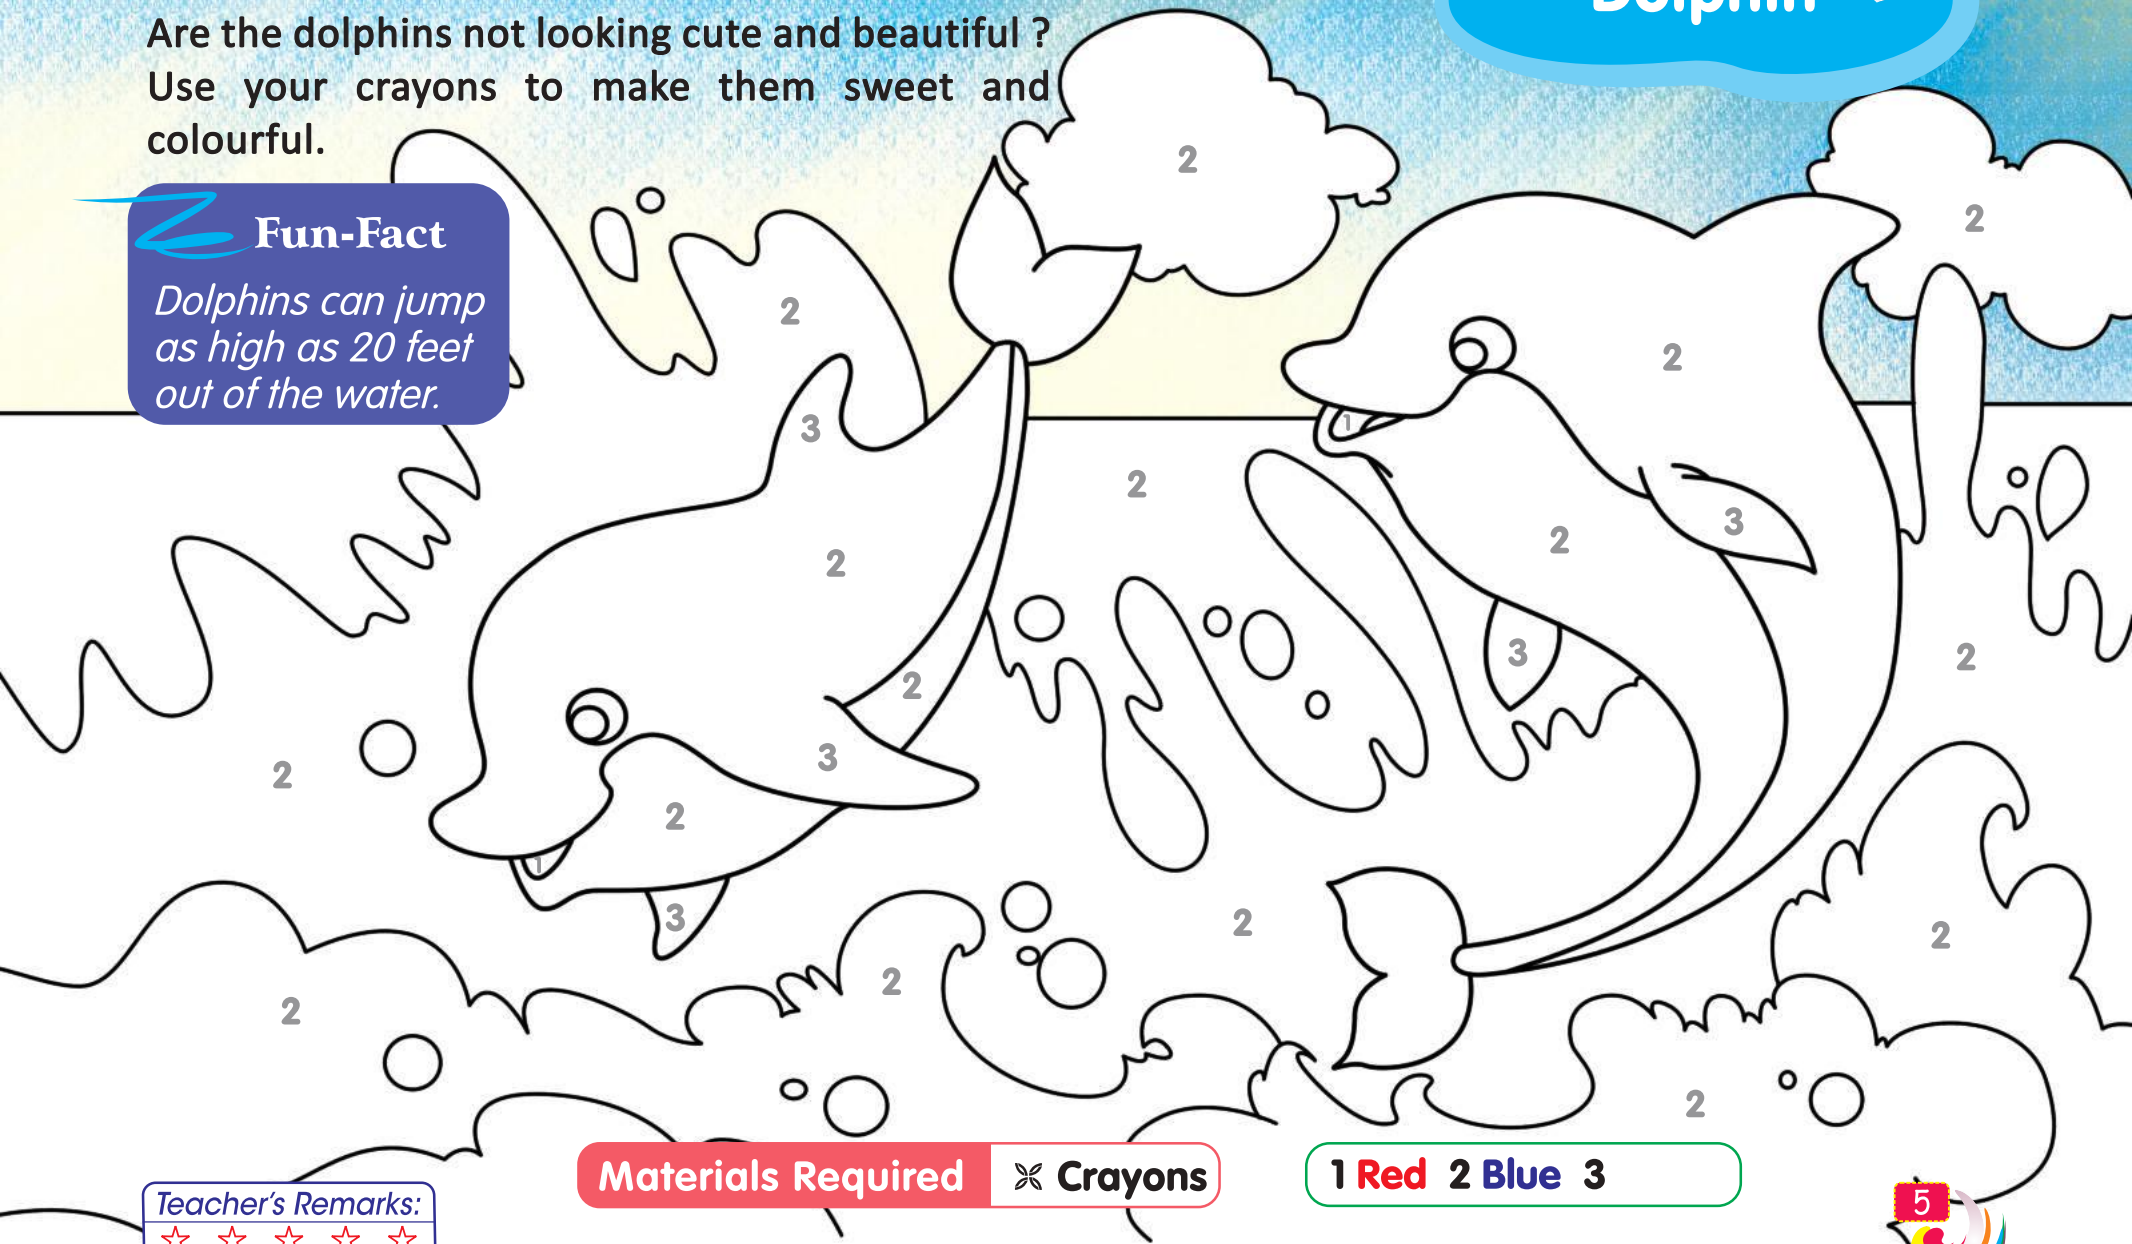

Dolphin

Are the dolphins not looking cute and beautiful ?
Use your crayons to make them sweet and colourful.

Fun-Fact

Dolphins can jump as high as 20 feet out of the water.

Teacher's Remarks:

Materials Required ✖ **Crayons**

1 Red 2 Blue 3

COLOURING

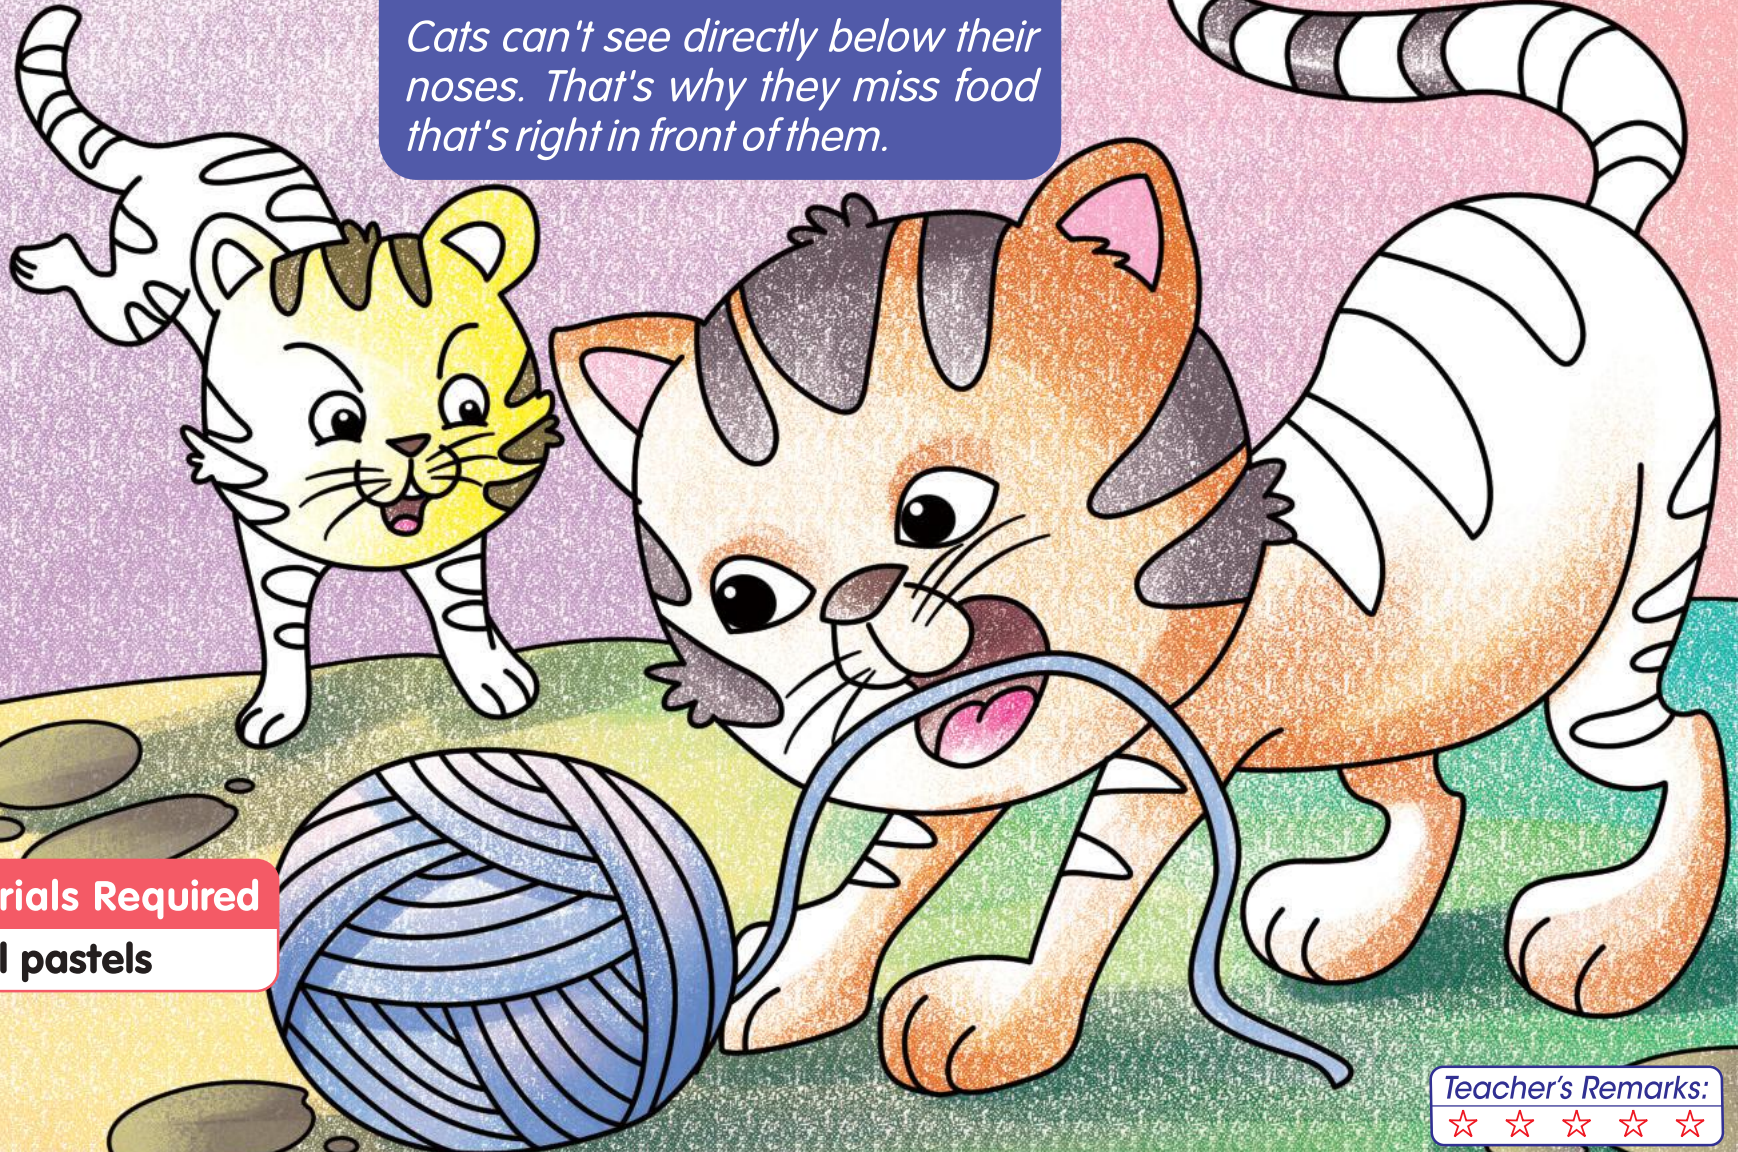

Kitty Kitten and his friend Princy are playing. Complete the picture by using oil pastels.

Cats

Fun-Fact

Cats can't see directly below their noses. That's why they miss food that's right in front of them.

Materials Required

- ✦ Oil pastels

Teacher's Remarks:

TRACE AND COLOUR

Angel Angelina is on a tour to earth with her pet Misty. Trace and colour them nicely so that the people can recognize them. Take clues from the reference pictures.

Materials Required

✦ Crayons

Fun-Fact

Angel is a character of tales or story only.

Angel

Teacher's Remarks:

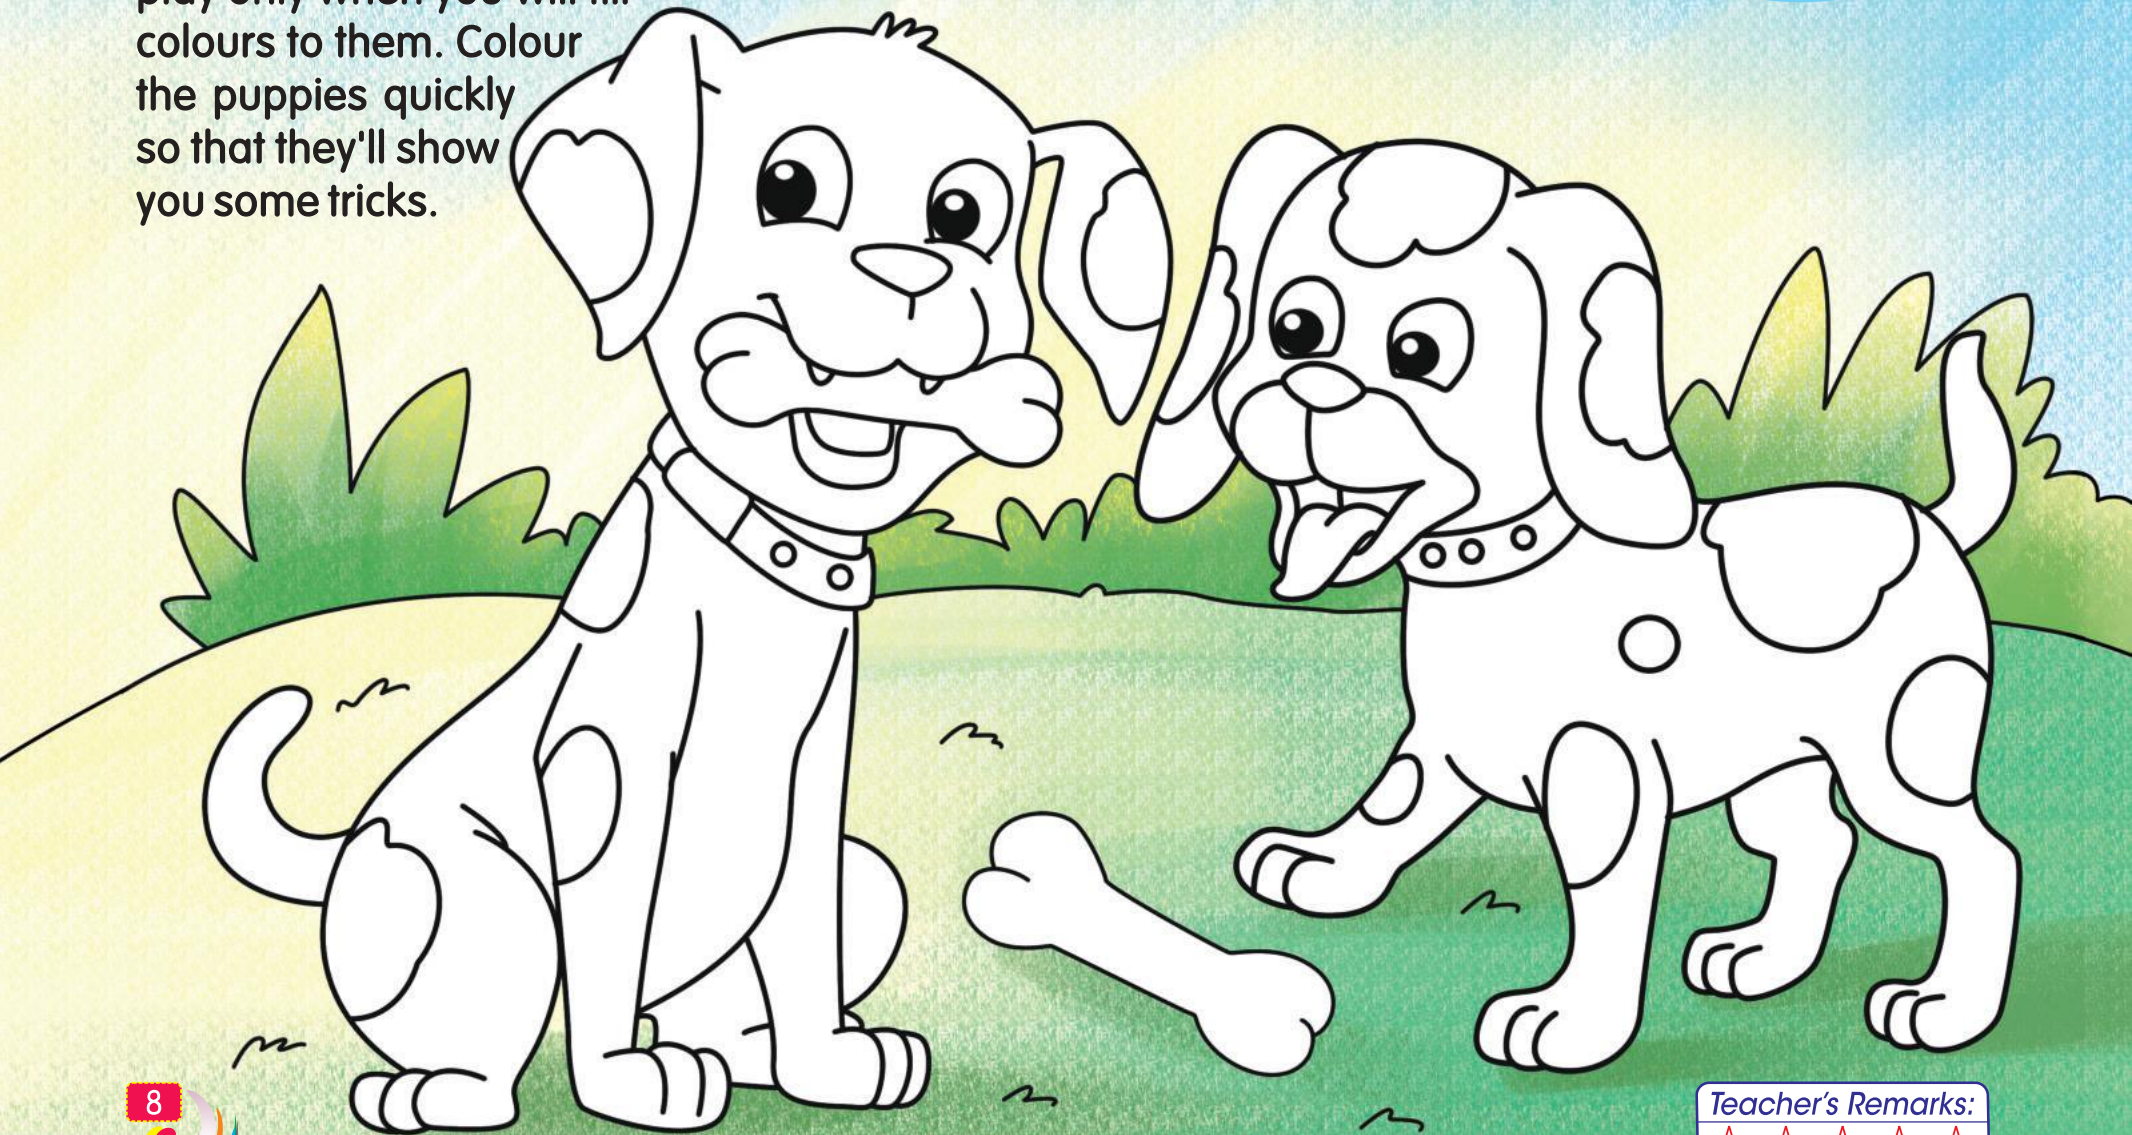

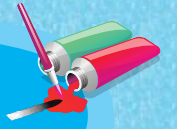

COLOURING

The puppies will start their play only when you will fill colours to them. Colour the puppies quickly so that they'll show you some tricks.

Material Required

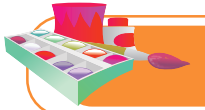

✦ Crayons

Puppies

Teacher's Remarks:

WORD FILLING

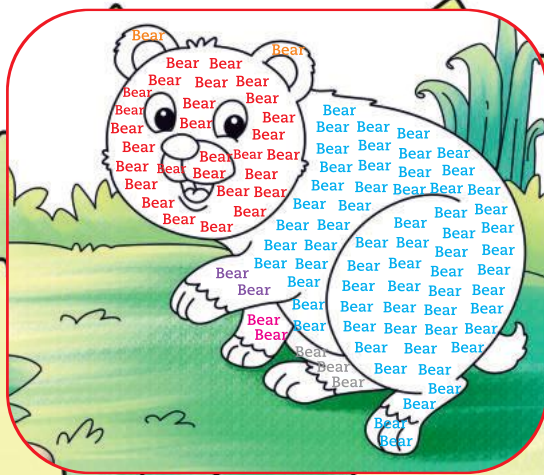

Make the picture more creative and attractive by filling it with words. Write the words in different colours.

Bear

Fun-Fact

Bears likes to eat honey.

Materials Required

✦ **Crayons**

Teacher's Remarks:

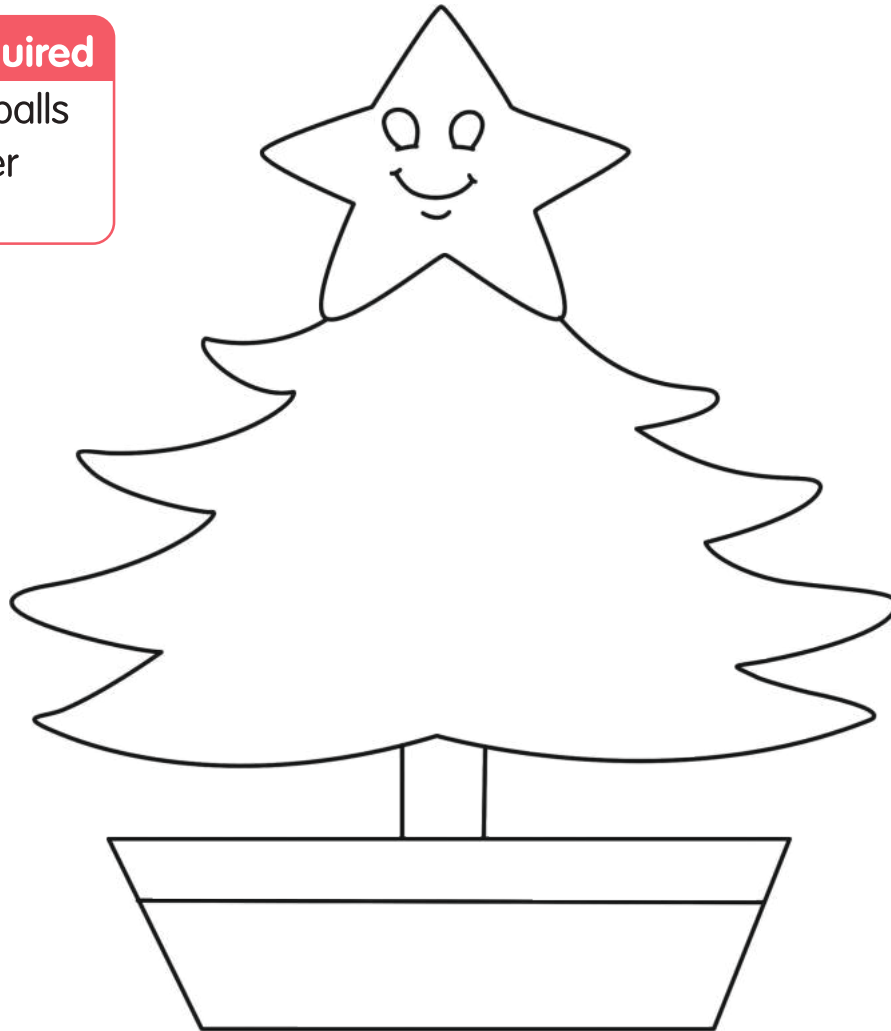

THERMOCOL BALLS AND PAPER PASTING

Hey friends ! Christmas is coming soon. Paste thermocol balls and cut colourful paper to paste it on the tree.

Materials Required

- ✂ Thermocol balls
- ✂ Glaze paper
- ✂ Glue

Christmas Tree

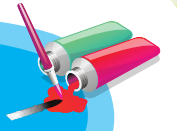

Fun-Fact

The first decorated christmas tree was in Riga, Latvia in 1510.

COLOURING

Fruits

Wow ! Fruits are fresh and juicy. Do you want to eat them ?
Then quickly colour them using wax crayons.

Materials Required

✦ Wax crayons

Fun-Fact

More than 2,500 varieties of apples are grown in the United States.

Teacher's Remarks:

WET CHALK DRAWING

Step 1 : Immerse the chalksticks in water (about 3/4th of the length of the chalk stick)

Step 2 : Leave to soak for 5-7 min. The chalk should stay in one piece.

Step 3 : Remove them and lay them on a plate.

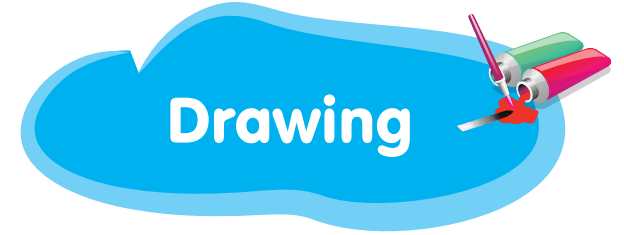

Step 4 : Start drawing on your paper. The colours will appear richer and deeper than dry chalk.

Materials Required

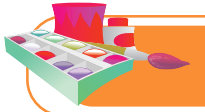

- ✂ Coloured chalks
- ✂ Water

Tip: You can dip the tip of your chalk in white paint. Then the drawing marks you make will show not only the colour of the chalk but also an edge of white paint.

Draw here.

COTTON BUD PAINTING

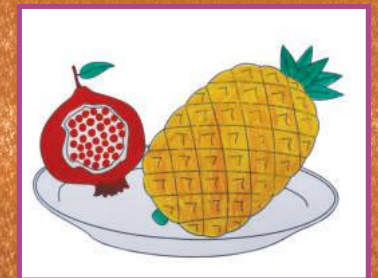

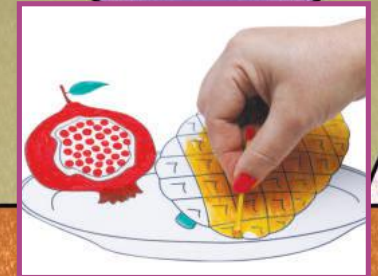

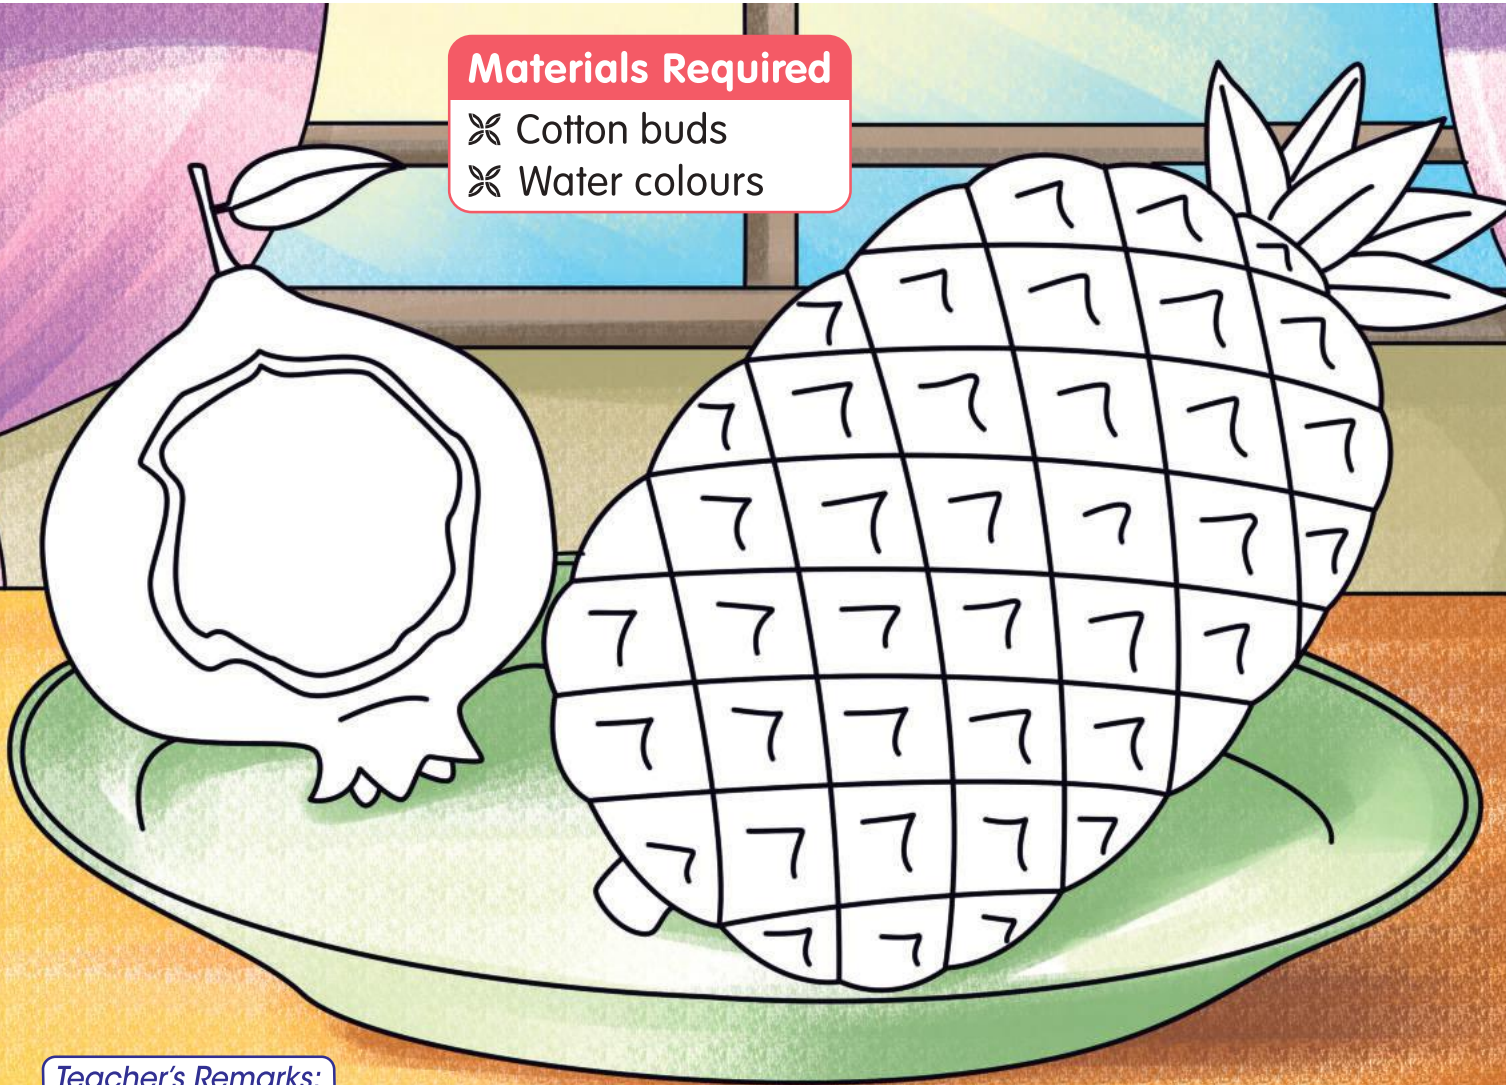

Use cotton buds to colour these fruits. Don't forget to use different cotton buds for different colours.

Fruits

Materials Required

- ✂ Cotton buds
- ✂ Water colours

Teacher's Remarks:

GRANDPARENT'S DAY CARD

Card

Materials Required

- ✂ Cardstock in 3 colours
- ✂ Water colours
- ✂ Wipes ✂ Scissor
- ✂ Marker

Step 1 : Dip your hand v-lightly in pink colour and make a hand print on white card stock.

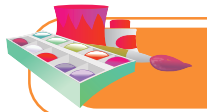

Step 2 : Cut the handprint out and create a heart in the middle. Then take the contrasting cardstock green and fold it in half. Glue the handprint on this sheet, keeping one edge folded to create the card. Cut the outline out so it frames the hand print but make sure to keep one edge folded.

Step 3 : On the inside left, write the message. On the right side, you can stick your and your grandparent's photo. Attach the folded hand card to larger card. On the side Write 'Happy Grandparent's Day' or whatever you wish to. You can decorate the leftover space as you like using colours or markers.

Teacher's Remarks:

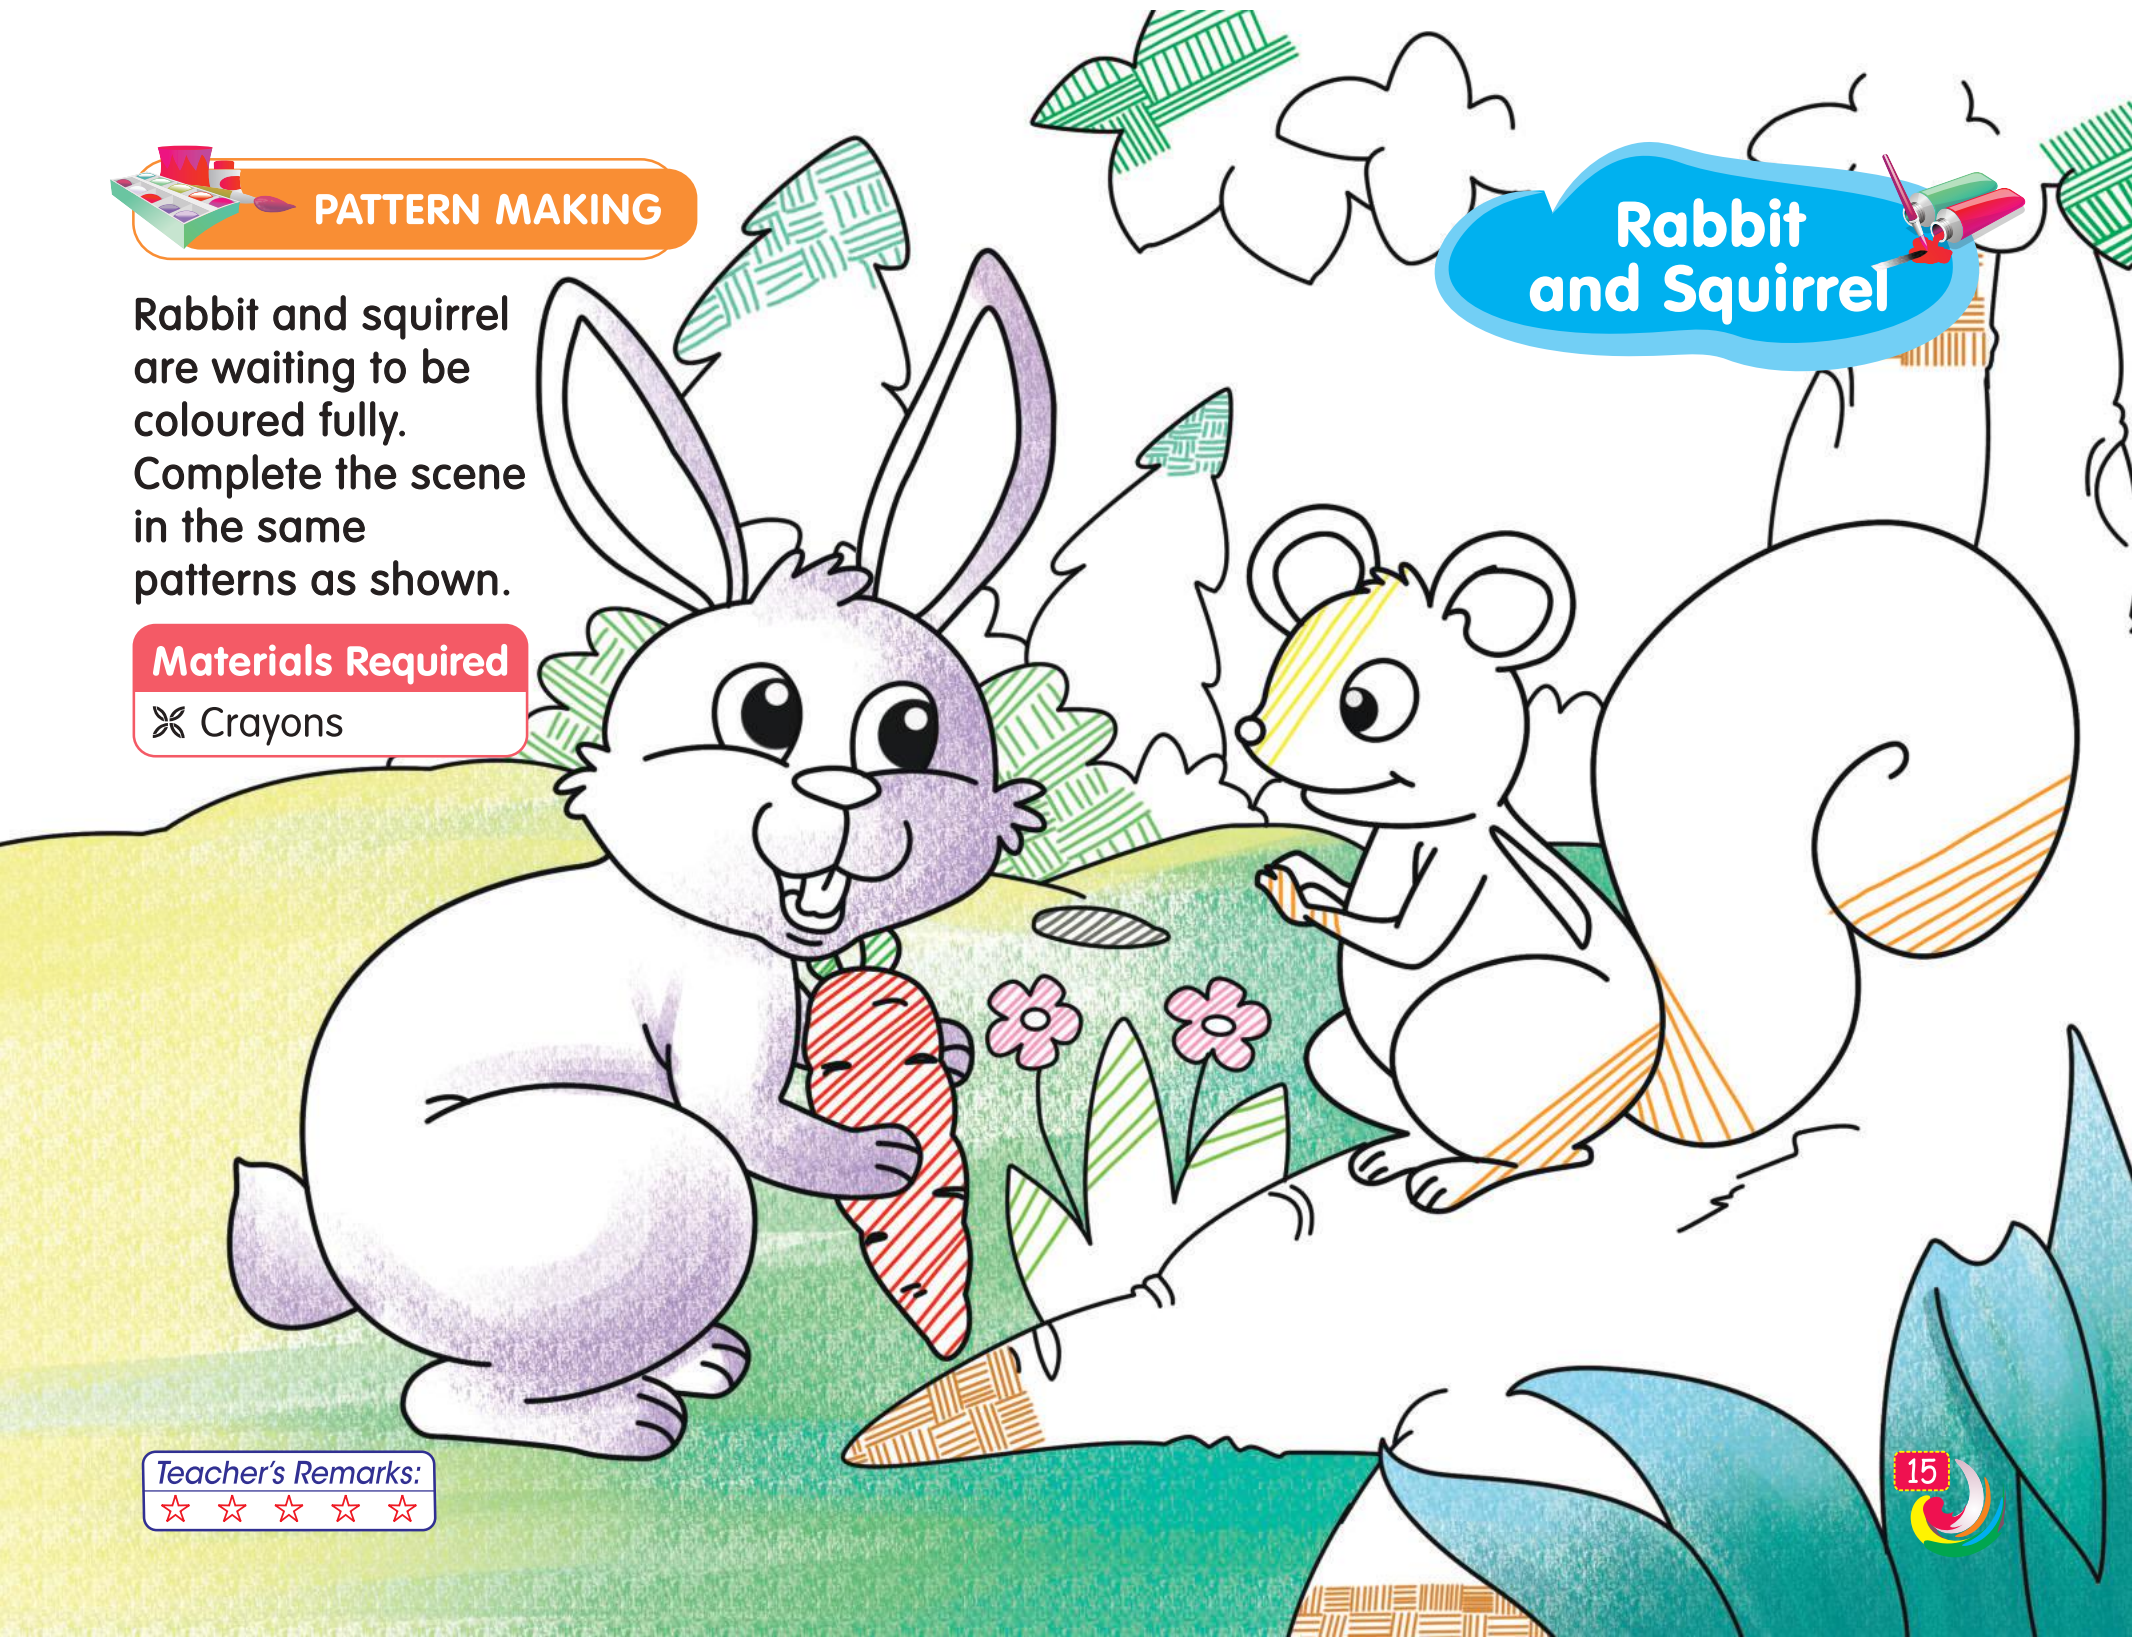

PATTERN MAKING

Rabbit and squirrel are waiting to be coloured fully. Complete the scene in the same patterns as shown.

Materials Required

✦ Crayons

Rabbit and Squirrel

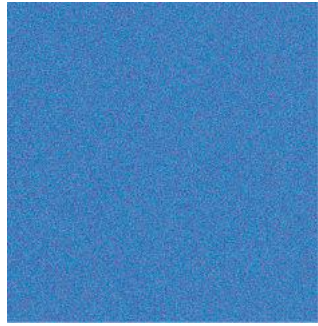

Teacher's Remarks:

ORIGAMI

Bird

Step 1 : Take an origami sheet

Step 2 : Fold in half.

Step 3 : Fold and unfold to make crease in the middle.

Step 4 : Make a cut up to the middle line as shown.

Step 5 : Fold the upper layer up from front and the lower one from behind.

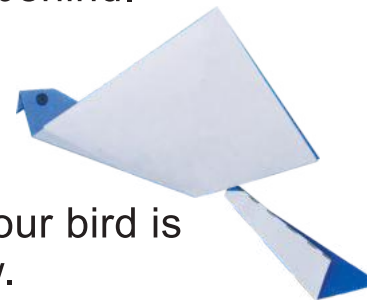

Step 6 : Fold this corner backwards for the bird's beak.

Step 7 : Fold the bottom tip upward from either side.

Step 8 : Your bird is ready now.

Materials Required

✦ Origami paper sheet

Fun-Fact

The bird that lays the smallest eggs is the bee hummingbird.

Teacher's Remarks:

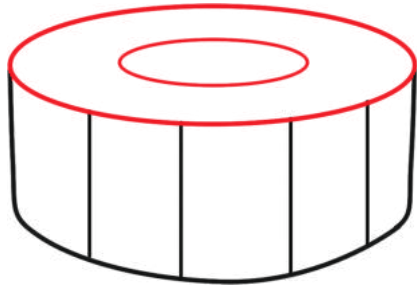

DRAWING

Materials Required ✂ Crayons

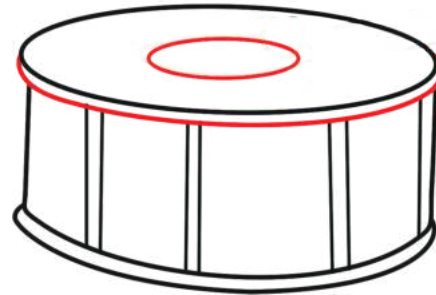

Basic Shapes

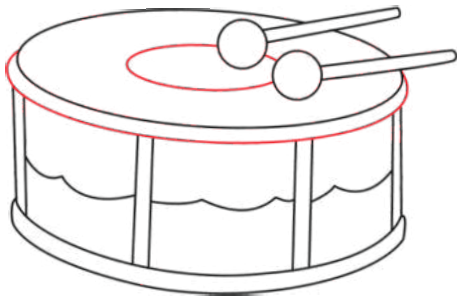

Follow the instructions and draw the drum in the space provided.

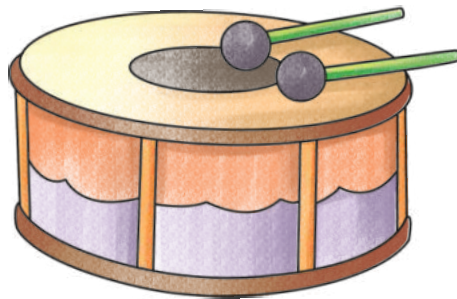

Step 1 :
Draw two ellipse of different size.

Step 2 :
Enhance the shapes.

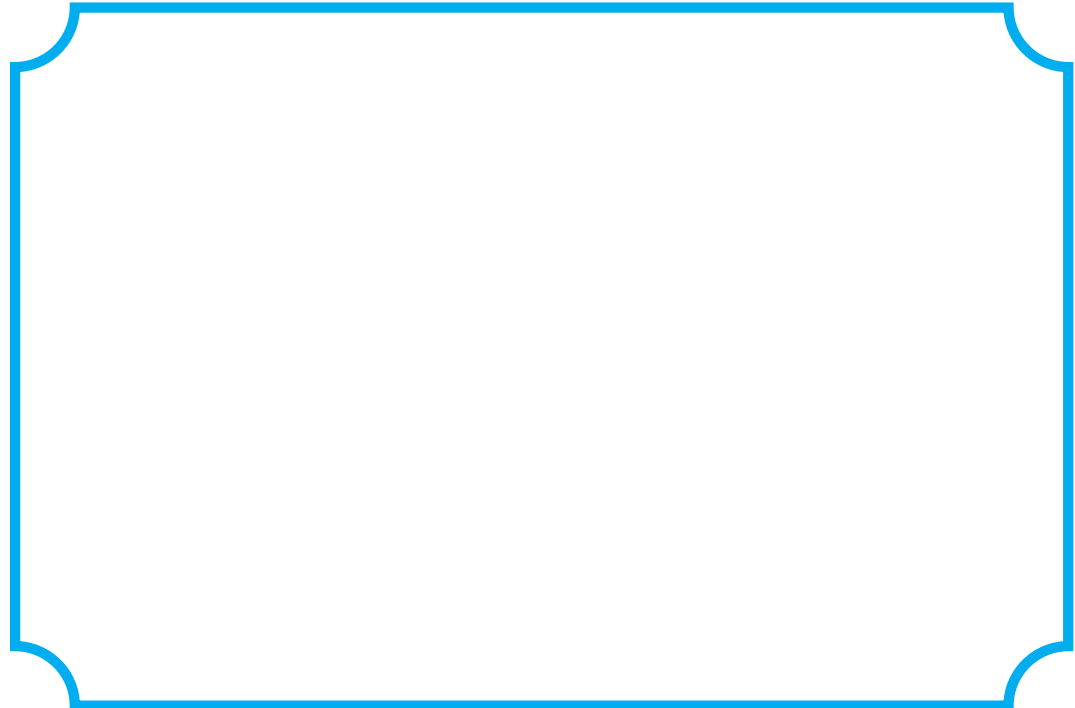

Step 3 :
Complete the drum by making sticks.

Step 4 :
Colour the drum.

Fun-Fact

Drums are the world's oldest instruments with the basic design remaining the same for thousands of years.

Teacher's Remarks:

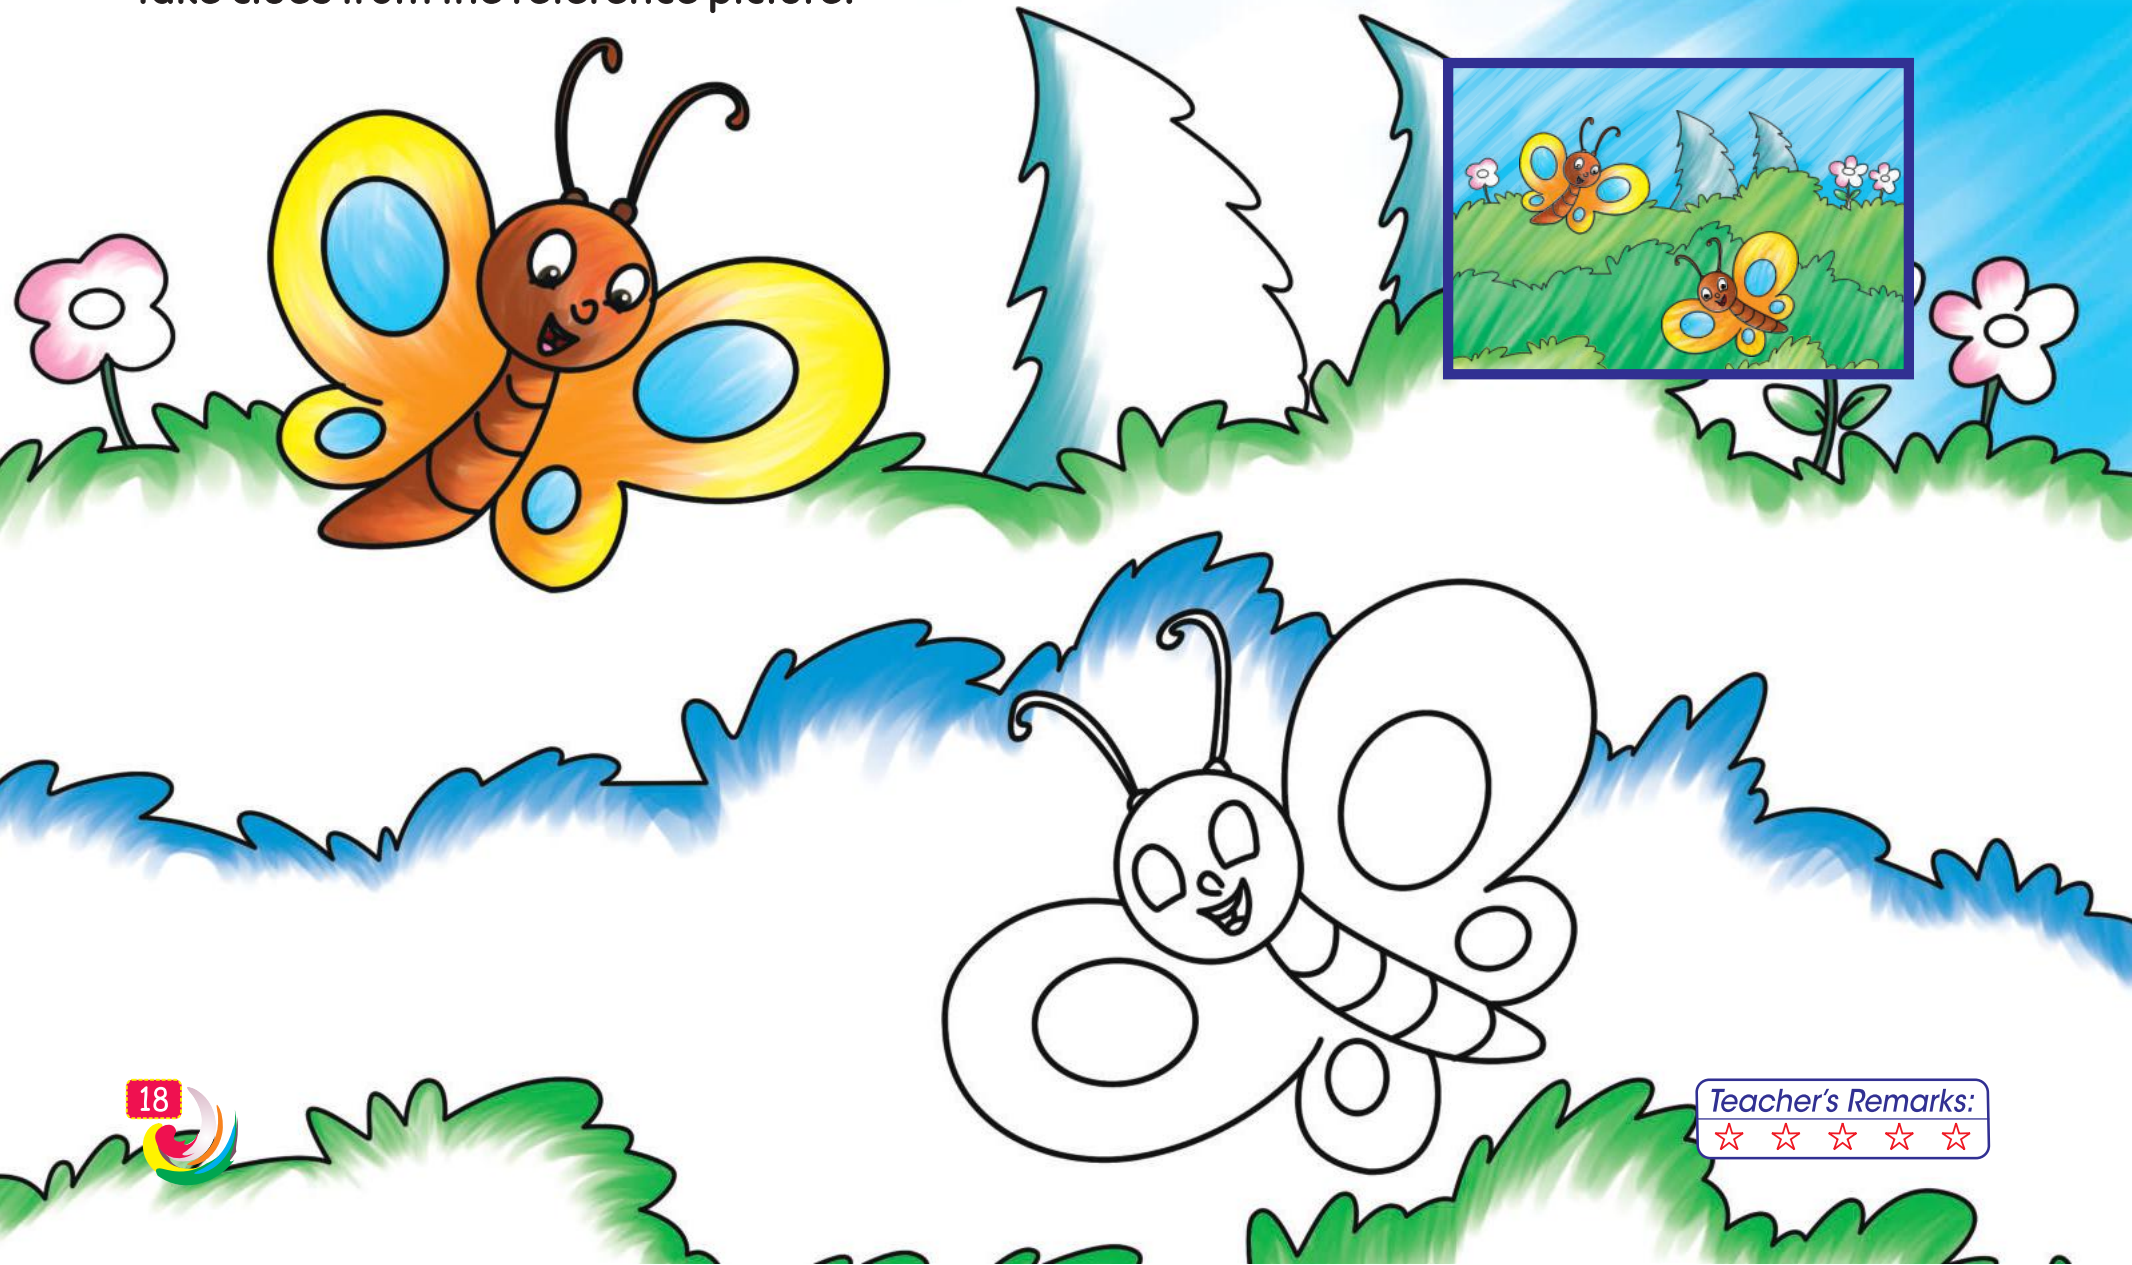

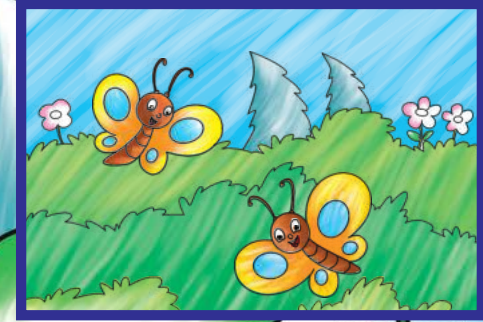

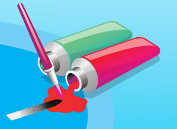

SKETCH PEN TIP COLOURING

Use your sketch pens to colour the butterflies.
Take clues from the reference picture.

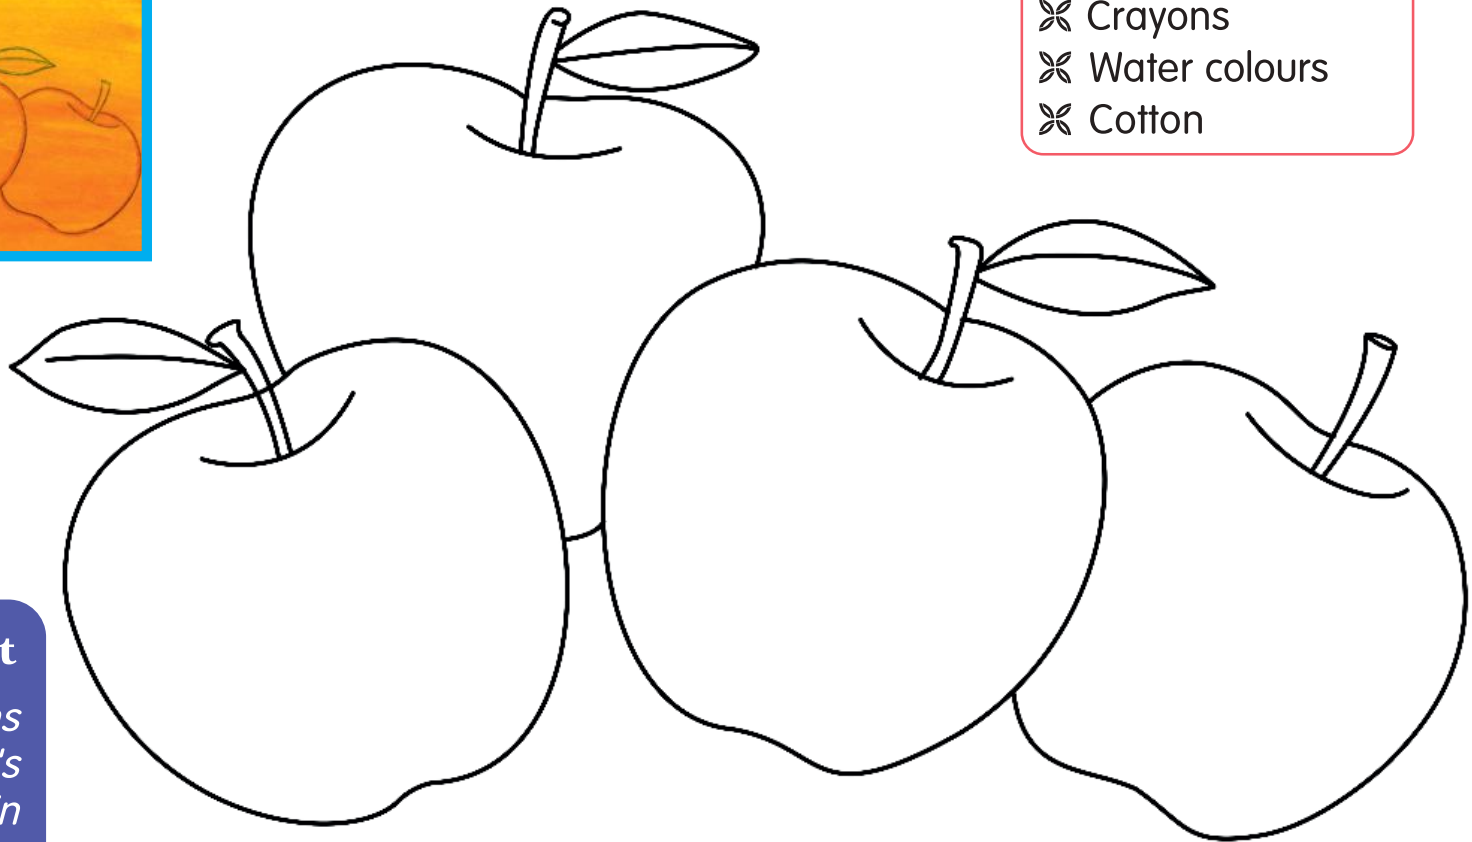

Butterfly

WAX COLOUR TECHNIQUE

Using different colours of crayons for colour the following picture. Apply red and orange water colour over the picture with cotton and colour the picture as per reference.

Apple

Materials Required

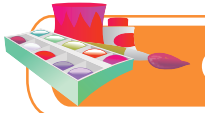

- ✂ Crayons
- ✂ Water colours
- ✂ Cotton

Fun-Fact

Apples contains 25% of air that's why they float in water.

Teacher's Remarks:

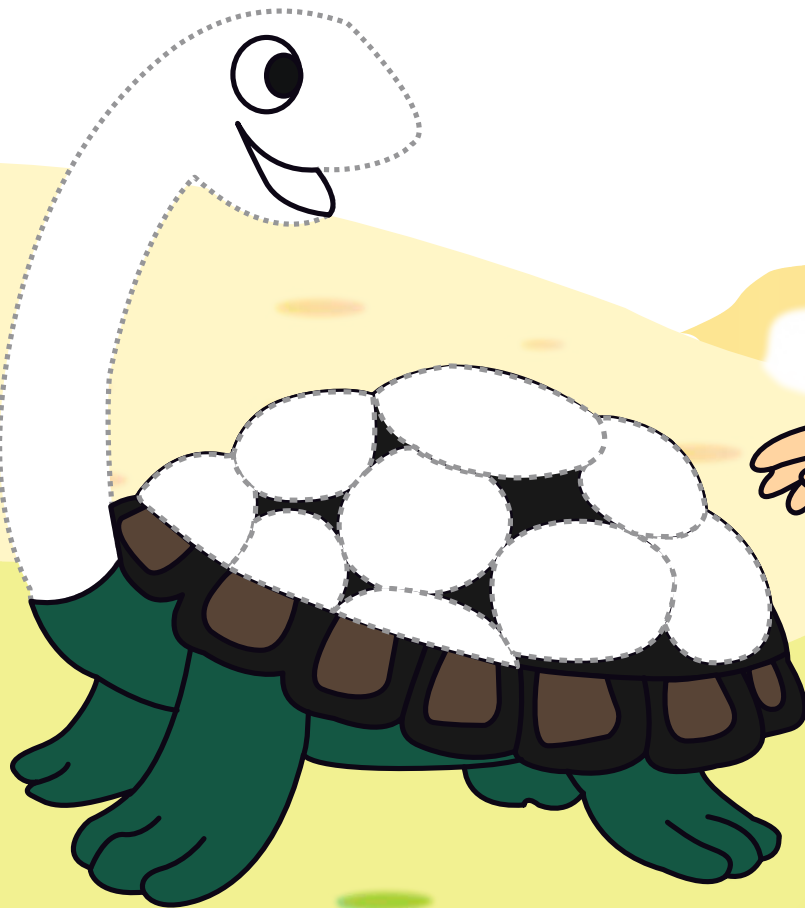

COLOURING

Rony and his tortoise are in playing mood.
Add more joy to their play by putting
appropriate colours in it.

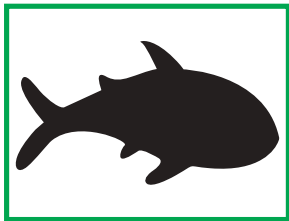

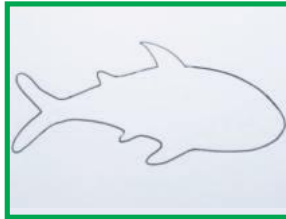

Rony and his Tortoise

CRAYON RESIST WATER PAINTING

Whale Shark

Step 1 : Draw an outline of a whale shark on a white sheet of paper.

Step 2 : Paint the whale shark with black water colour and let it dry.

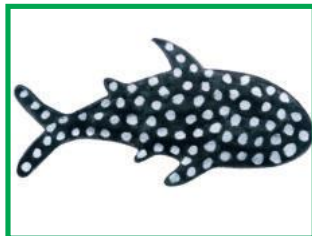

Step 3 : Now, draw white spots on the whale shark with water colour.

Step 4 : Meanwhile, make the water background on the space provided using crayon resist technique. Draw waves with white crayon and paint blue water colour over it.

Step 5 : Once the whale shark is dry, cut it out.

Step 6 : Glue wiggly eyes and draw a mouth.

Step 7 : Glue the whale shark onto the background.

Materials Required

- ✦ Crayons
- ✦ Water colours
- ✦ Paint brush
- ✦ Glue
- ✦ Wiggly eyes

Teacher's Remarks:

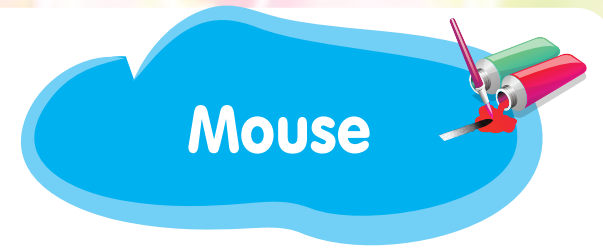

ORIGAMI

Materials Required

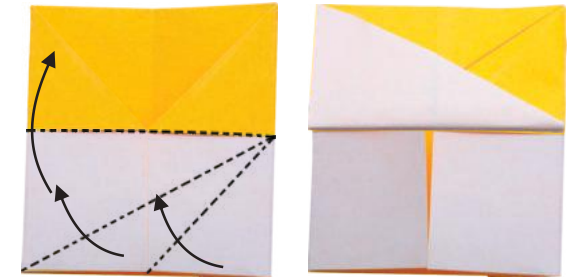

✂ Origami paper ✂ Marker

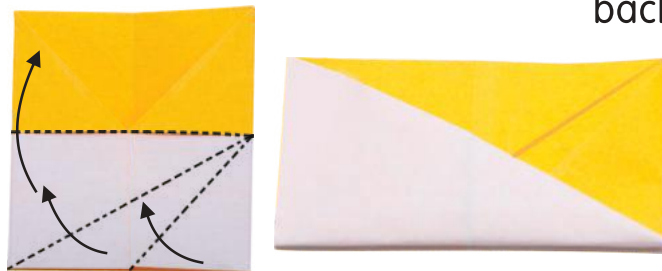

1. Start with a twin house fold.

2. Fold the side flaps backwards.

3. Make three folds of the upper layer and turn it over.

4. Do the same on this side also.

Fun-Fact
A mouse eats 15-20 times a day. Therefore they build their homes close to food sources.

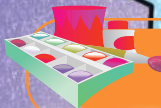

5. Hold the model vertically and now, push the middle portion inside to form the mouth and crease the line firmly.

6. Draw eyes and mouth with marker. Your's finger puppet is ready now.

Teacher's Remarks:
☆☆☆☆☆

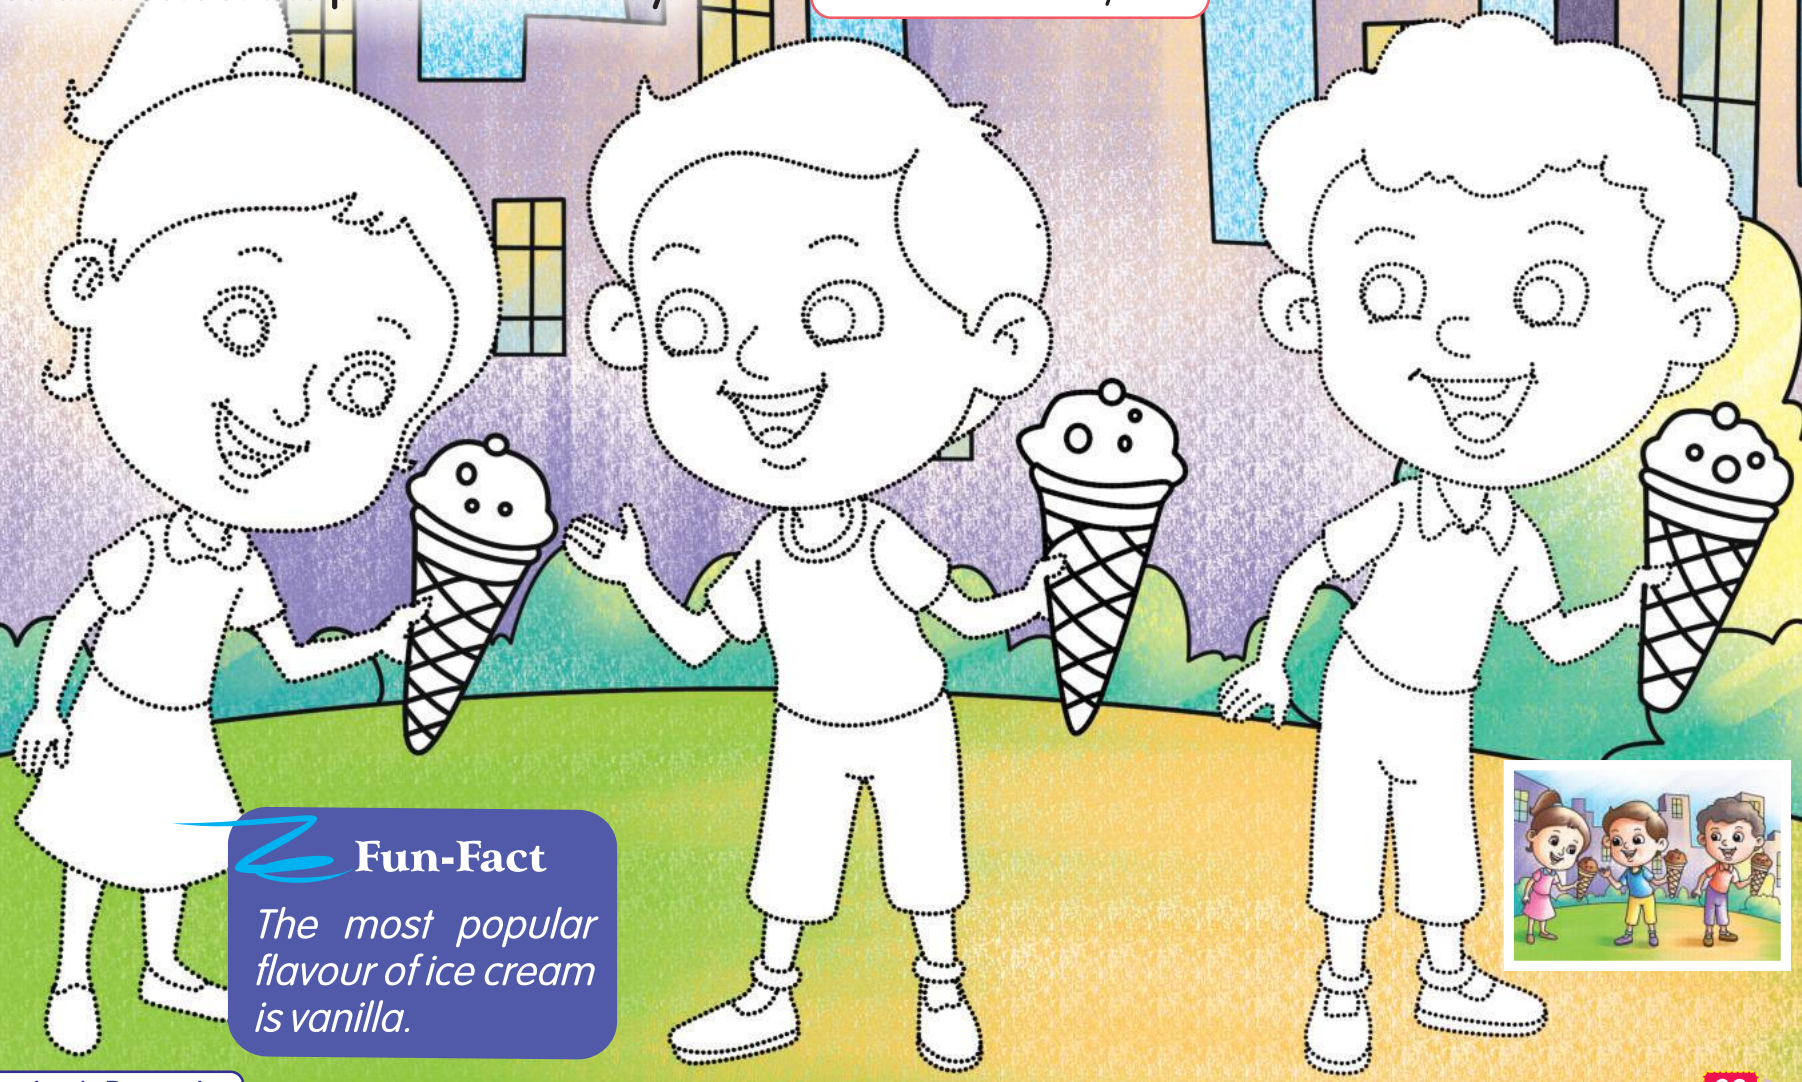

TRACE AND COLOUR

Three friends are eating ice cream.
Trace and colour the picture beautifully.

Materials Required

- ✂ Pencil ✂ Crayons

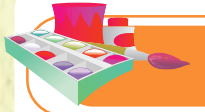

Three Friends

Fun-Fact
The most popular flavour of ice cream is vanilla.

Teacher's Remarks:
☆☆☆☆☆

THUMB IMPRESSION PAINTING

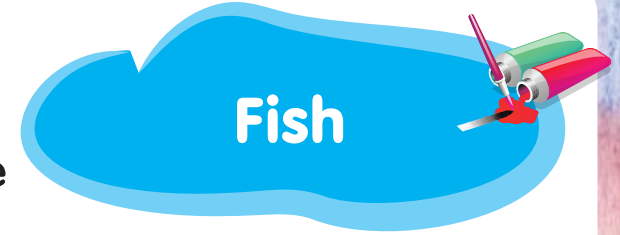

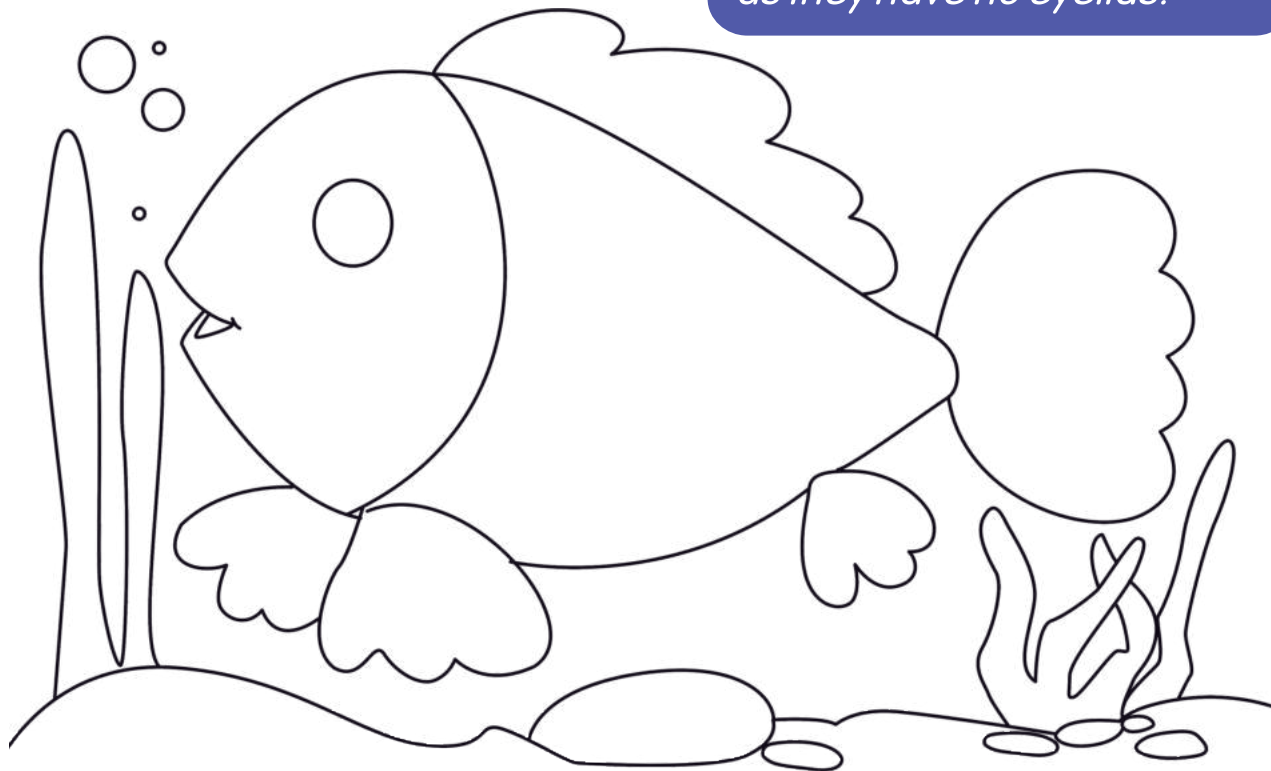

Make thumb impressions on the fins of the fish and also paste wool on the body and colour rest of the picture.

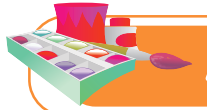

Materials Required

✂ Water colours ✂ Crayons ✂ Wool

Fun-Fact

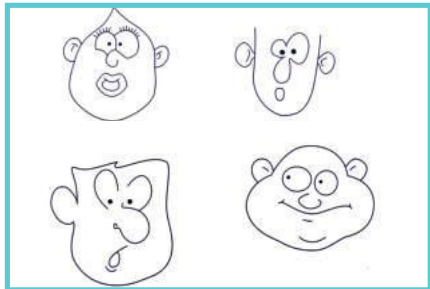

Goldfish can't close their eyes as they have no eyelids.

AIR BLOW TECHNIQUE

Materials Required ✂ Water colours ✂ Straw ✂ Pencil

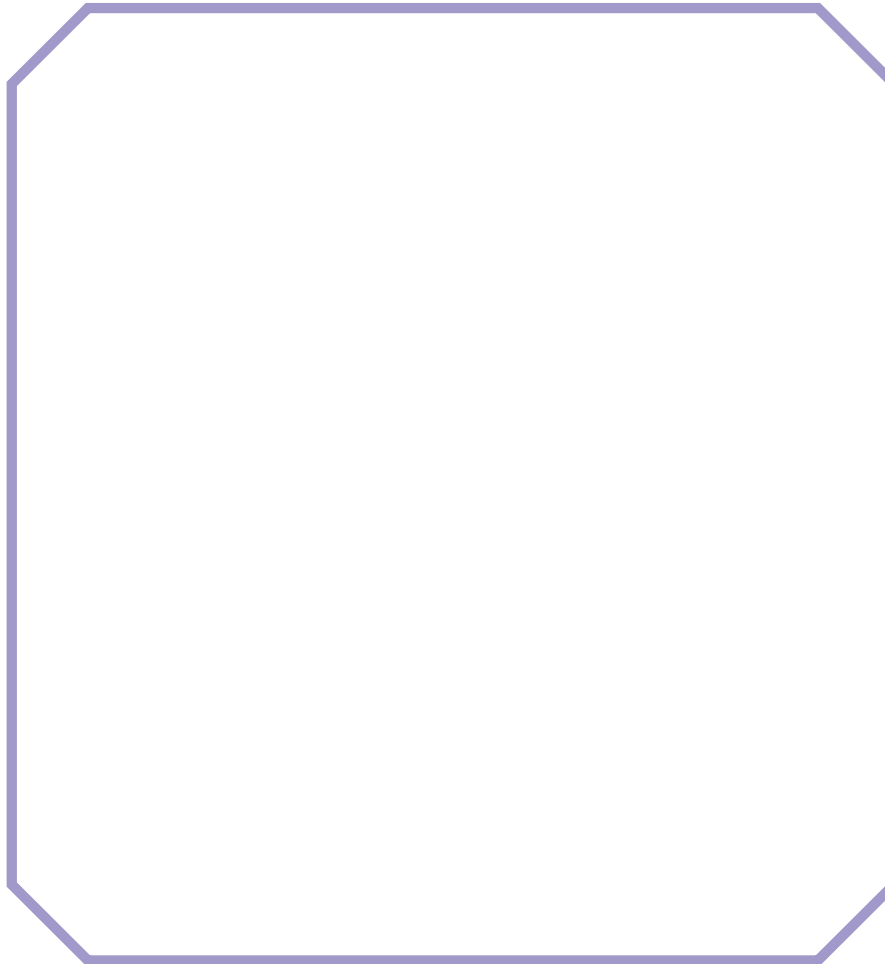

Step 1 : Draw these faces in the space provided.

Step 2 : Use a paintbrush to drop some droplets of water colours on the head.

Do it here.

Hair

Step 3 : Blow air to spread the coloured drops in different directions using a straw.

Step 4 : Your blow hair are ready.

Teacher's Remarks:

PAINTING

Materials Required

- ✂ Empty bottle
- ✂ Water colour
- ✂ Paint brush
- ✂ Black paint

Step 1: Take an empty bottle have the five empty ridges on the bottom. Dip the bottom of the bottle in paint.

Step 2: After dipping the bottom of the bottle on the paint, transfer it to the paper.

Step 3: Use black paint with the help of a paint brush to create the branches and trunk of the tree.

Your blossom tree is ready now.

Fun-Fact

Cherry blossoms are Japan National Flower.

Blossom Tree

Make your cherry blossom tree painting here.

Teacher's Remarks:

PATTERN MAKING

The children are singing a song. Colour the background as per the reference. Now, make the dresses of these children by using crayons. Fill light pink colour in faces, arms and legs of the children.

Children

Materials Required

✦ Crayons

Teacher's Remarks:

COLOURING

Do you want to live in a decorated house.
Colour the house beautifully.

Funny House

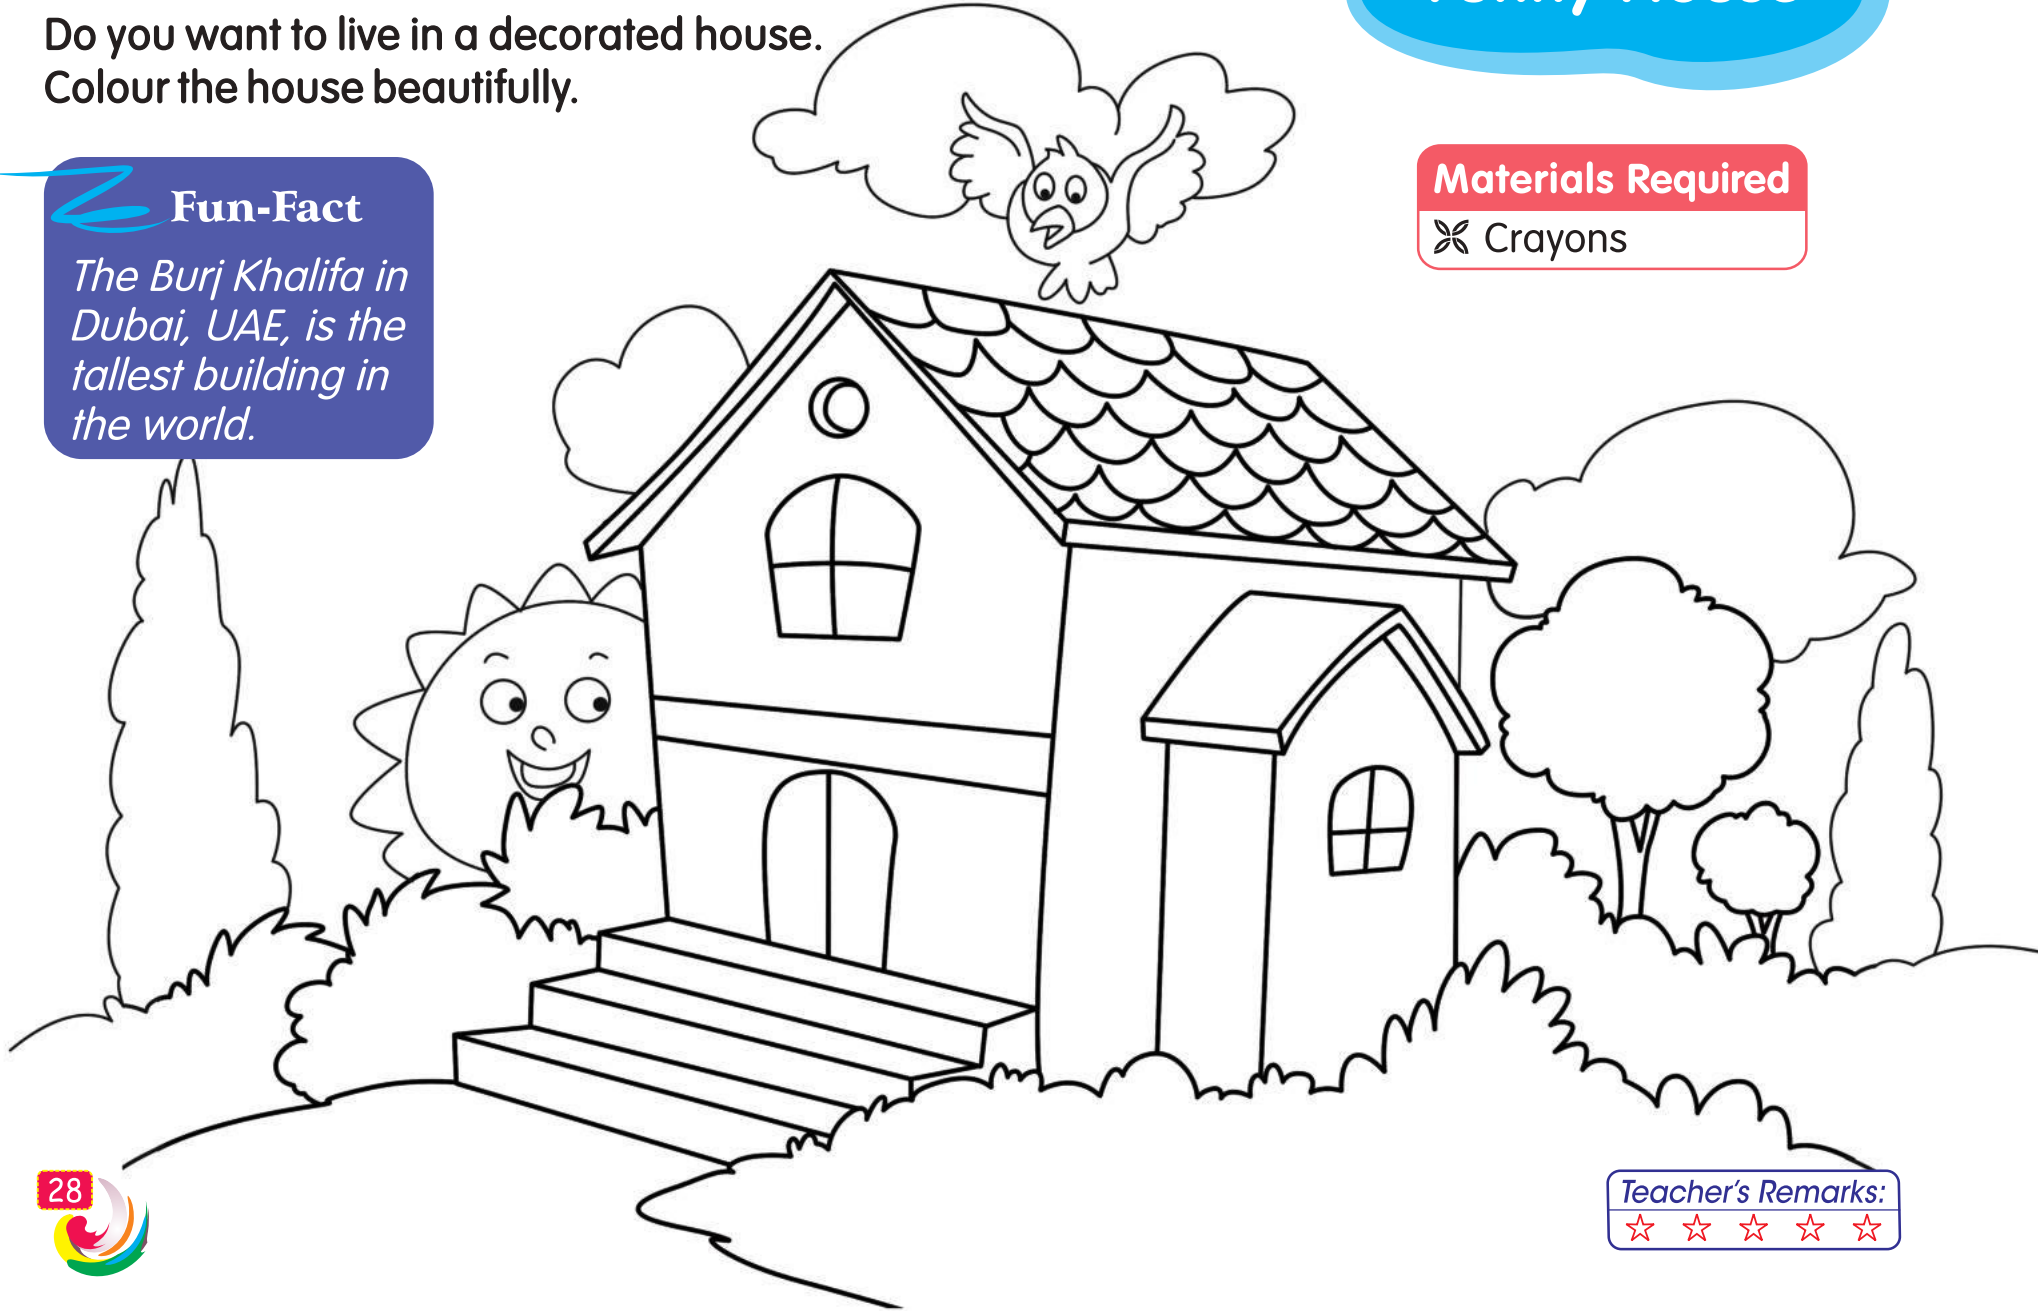

Materials Required

✂ Crayons

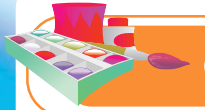

Fun-Fact

The Burj Khalifa in Dubai, UAE, is the tallest building in the world.

Teacher's Remarks:

COTTON PAINTING

Cotton

Observe the cotton painting shown below. With the help of different colours and cotton, create flowers, leaves and branches.

Steps:

1. Dip cotton in different water colours.
2. Press it lightly on the paper to make flowers and leaves.

Materials Required

- ✂ Water colours
- ✂ Cotton

Fun-Fact

American paper currency is made of 75% cotton.

Teacher's Remarks:

FINGER WEAVING

Bracelet

Step 1 : Twist one rubber band loop around your four fingers.

Step 2 : Add another loop.

Step 3 : Pull bottom loop over top one on each finger.

Step 4 : Keep adding loops continue until your weaving is of desired.

Step 5 : Continue until your weaving is of desired.

Step 6 : Pull both ends together and carefully slide it off your hand.

Step 7 : Tie into a knot

Your bracelet is ready.

Materials Required

✂ Rubber bands loop

Teacher's Remarks:

CRAYON SCRATCH ART

Materials Required

- ✂ Crayons
- ✂ Black poster colour
- ✂ Paint brush
- ✂ Tooth pick

Step 1: Colour your white sheet with crayons using a variety of colours and pattern of your choice.

Make your crayon scratch art here.

Step 2: Now colour the entire sheet with black poster colour. Let it dry.

Step 3: Then use a toothpick to draw a picture and scratch away the black to reveal the colours below.

It is ready now.

Teacher's Remarks:

SKETCH PEN TIP COLOURING

The bear has been coloured with plastic knife. Spread poster colours on the sheet and colour this picture with the help of plastic knife.

Fun-Fact

Unlike many mammals, bears can see in colour.

Bear

Materials Required

- ✂ Poster Colour
- ✂ Plastic Knife

Teacher's Remarks:

POTATO PRINTING

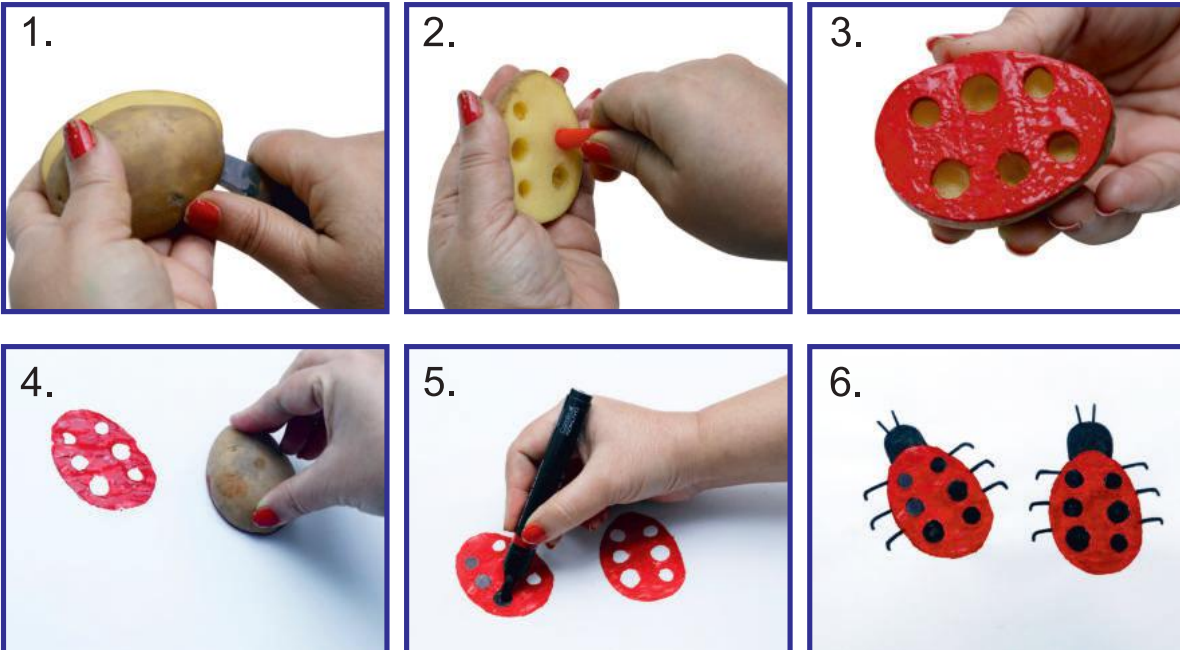

Steps

1. First cut slices of "potato" into two pieces with the help of an elder.
2. Make three small holes on both sides as shown with a slit in the centre.
3. Dip the slices in red colour
4. Stamp it on the paper.
5. Colour the blank spots with black colour.
6. Now draw legs and head with marker as shown.

Your lady bird is ready.

Materials Required

✂ Potato ✂ Marker ✂ Water colour

Teacher's Remarks:

COLOURING

Landscape

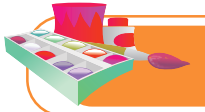

Here is a landscape which is drawn by using a sharp pencil and coloured crayons.

Draw a landscape as per the reference shown on opposite page.

Teacher's Remarks:

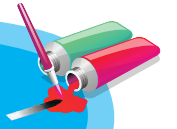

DRAWING

Fun-Fact

58.9% of homes in Japan are built from wood.

Scenery

Steps

1. Draw a tree to the left of the house.
2. Draw a sun on the top left of the house and colour the grass on the ground.
3. Draw some clouds to the left and right of the sun.
4. Colour the scenery and complete the picture.

Materials Required

- ✦ Crayons
- ✦ Pencil

DIFFERENCES

Spot out differences between these two pictures.

Total differences.

Teacher's Remarks:

Materials Required ✂ Sketchpens

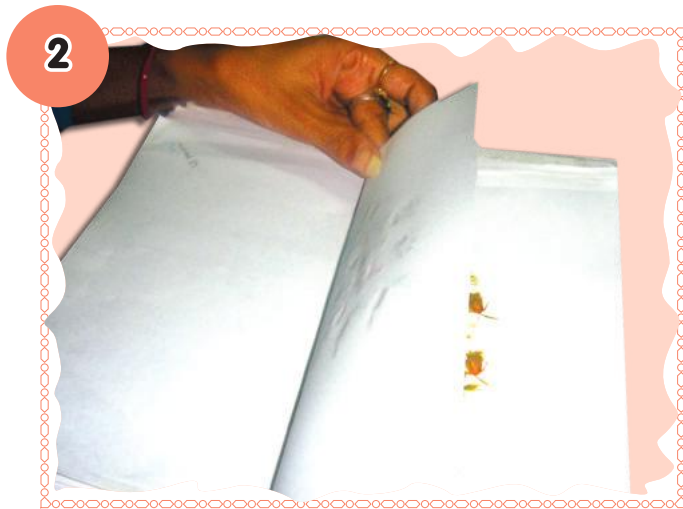

Colouring

Materials Required

- ✂ Chart Paper
- ✂ Water Colour
- ✂ Poster Colours

Steps :

1. Take a white chart paper.
2. Put a few drops of the water colours or poster colours on it.
3. Now fold the paper in centre and press it for a few minutes.
4. Open the paper back to its original form. Let it dry for a few minutes.
5. You will get a beautiful colour design.

Design

RICE ART

Rainbow

Make the rainbow by using small pieces of rice.

Steps

1. Draw a rainbow on a thick sheet of paper.
2. Take rice and divide it into 7 parts. Using poster colours, colour the rice in different colours that a rainbow contains.
3. Spread fevicol on the areas you want to colour blue. Sprinkle blue rice on it. Gently pat to set it. Apply fevicol on the areas you want colour green. Sprinkle green rice on it.
4. Fill the remaining parts of the rainbow in the same manner.
5. No area should be left without rice on it.

Note : Let the painting dry up for sometime.

Materials Required

✂ sheet of paper ✂ poster colour ✂ fevicol ✂ rice

Teacher's Remarks:

Make the rainbow by following the steps given on previous page.
Colour the clouds with pencil colours.
